

Kayaking / Fishing Collection

LIFE

"The Cat That Flies"
February 6, 1970

Maximum fun, minimal drag— for us, that's always been the program, both from a boat-design perspective and as a guiding philosophy.

It began with our founder Hobie Alter, an avid surfer-cum-sailor-cum-inventor who *revolutionized* two sports (and their related cultures)—surfing and sailing—and continues today with our innovative kayaks that are purpose-built to make you smile.

While the kayak shape is one of humanity's most basic water-borne craft, they were traditionally built for hunting, fishing and locomotion—not recreation. Recent centuries have seen cold-molded wooden kayaks and fancy fiberglass (and even Kevlar) touring boats, but these suffer from the same problem as our ancestor's wood-and-hide boats: fragile hulls that often lacked the stability and power for casting or punching through the surf line. Plus, they didn't glide through the water with the ease and drag-free experience of a modern, pedal-driven kayak.

In the early 1950s, Hobie Alter was a rising star—both as a champion surfer and as a surfboard shaper—on the prominent Southern California surfing scene. Along the way he learned a lot about oceans, wave sets and fiberglass construction techniques, lessons that would serve him well in his next pursuit: sailing. In the early 1970s, he upended the established sailing world with the Hobie 14, the world's first lightweight, easy-to-use, fiberglass sailing catamaran. This high-performance cat—the first of many—could be launched off the beach and sailed by anyone—no uptight yacht clubs, stuffed shirts or marinas required—encouraging a wildly popular lifestyle based around sailing, friends, family and the ocean...better known as the Hobie Way of Life.

By the mid-90s, we started considering other avenues for on-the-water recreation. We quickly recognized that most kayaks weren't durable or stable enough for skinny-water casting, and that most canoes—back then the go-to fishing platform for most anglers—required a lot of effort just to take across the lake with friends. The Hobie team saw an opportunity to create a fun, fast, durable and stable boat that would be versatile enough to explore rocky beaches or slink through shallow backwaters in search of

redfish. Plus, they featured less drag through the water than anything else afloat.

Taking the lessons we learned about powering through surf from sailboats and surfboards, Hobie's designers combined beaching-friendly rotomolded polyethylene technology with a low-drag, stable hull form to create the Hobie Pursuit (1996), our first kayak. After some careful R&D, we realized that our arms and shoulders often burned-out before we were ready to head ashore. The breakthrough came in 1997 with a simple-yet-revolutionary idea: Instead of paddling, why not mount fins under the hull and connect them to your kayak via pedals? The Hobie MirageDrive®, as this pedal-powered marvel was dubbed, was an instant success. Suddenly, kayakers could enjoy newfound speed, range, silence, and fun, without killing their arms. Best yet, the MirageDrive made short work of the wind and current, leaving your hands free for eating, drinking, casting, taking photos or enjoying an unhurried conversation with a friend or family member.

New Hobie model kayaks evolved, some optimized for adventure touring or family paddling, while others cast for

an obvious market: serious fishermen.

We purpose-designed several fishing-specific kayaks—including the Outback, the Revolution® and the Pro Angler—to handle both seated or standing casts (and related battles), rocky-beach put-ins, and surf, while also sporting necessities such as utility trays, tackle-box storage, optional Livewells and rod holders.

Given Hobie's sailing genes, it was only natural that our kayaks would eventually sprout sails. The Adventure Island, released in 2006, adds amas and a sailing kit to a MirageDrive-powered kayak, yielding a super-fun, beaching-friendly, multi-sport trimaran. Then, in 2010, we introduced the two-person Tandem Island, encouraging you to share smiles with your friends and family.

Most recently, the desire to increase the toy count without necessitating a bigger backyard led to Hobie's inflatable series, which began in 2007 with the Mirage i12S and the i14T, and has continued with the smaller i9S. These innovative craft are stiff, sturdy and capable, thanks to their MirageDrives and sail kits, they offer the fun of our rigid boats in a smaller, portable package.

If it sounds like we spend too much time thinking about boating, we're guilty. But this confession comes with a promise: Our kayaks offer the safest, most rewarding ticket to lasting on-the-water fun and indelible memories.

***Experience kayaking, Hobie style.
You won't believe the fun factor.***

What makes Hobie Kayaks *the Best Ride*

At Hobie, maximizing good times is always the goal. We believe that kayaking should be accessible, rewarding and—above all else—**fun**. This starts with how you power yourself through the water. For many kayakers, the chore of paddling for long hours can threaten their fun factor. Plus, paddle splashes can scare fish or birds and distract from your peaceful, on-the-water experience. Why struggle to pull with your arms when it's way more efficient to push with your legs? Hobie's team figured out a better solution: **lose the paddle and start pedaling**.

By combining the ease of biking with the fun of boating, **Hobie's MirageDrive makes kayaking a whole new game**. The genius behind the MirageDrive's double-scissor action came from studying penguins, whose efficient fin stroke is a perfect solution to powering your kayak through the water.

Our clever design links a set of cockpit-mounted pedals to a pair of powerful underwater fins that are built out of a flexible, sturdy material. When pedaled, the fins flex to take on the shape of a propeller blade, powering you through the water as they scissor back and forth on both the front stroke and the backstroke.

Whether it's punching across exposed water, exploring new casting grounds, or poking into a quiet mangrove forest at sunrise, the MirageDrive delivers snappy performance, confidence-inspiring power and all-day efficiency. But this is only one part of what makes kayaking—Hobie style—so enjoyable. Here are some other features that make Hobie Kayaks the world's best kayaks:

2. Molded Carrying Handles

It's the details that count. Ergonomic handles fitted to stainless padeyes (bow and stern) make portaging easier and more comfortable.

3. Large Covered Bow Hatch

Allows access to the bow's stowage compartment. A safety strap with a detachable clip tethers the hatch; above-deck, Bungee® cords secure extra gear.

4. Sail Mount

Unfurl a sail and your horizons will immediately expand. The optional Mirage Sail Kit's mast securely attaches to a deck-mounted fitting. Enjoy added power without complication; Mirage Sail Kits make sailing fun and easy.

5. Two-piece Paddle with Fiberglass Shaft

Tuck into rocky inlets and beaches with additional maneuverability. Or, go Old School and paddle for a good upper body workout. Conveniently clips onto the hull when not needed.

6. Mesh-covered Stowage Pockets

Stash frequently used items in these handy and safe pockets. Never miss that photo op again!

7. Drink Holder

Hot, cold, or room temperature, we've got a perfect spot for your favorite beverage.

8. Rudder Control

Soft handle makes fingertip steering easy.

1. MirageDrive

Hobie's MirageDrive was born of the theory that it's easier to push something with your legs (big muscles) than it is to pull something with your upper body (smaller muscles). On Hobie Mirage series kayaks, traditional paddles are included but not needed. Instead, two pedals, mounted on levers just forward of your seat, are attached to powerful underwater fins via the MirageDrive's sleek, lightweight design. When pedaled, these flexible fins assume the shape of a propeller blade, providing forward motion with each pedal stroke. And because the fin inverts its shape on the opposite backstroke, you easily generate equal power on both sides, keeping your boat tracking evenly and moving quickly. Plus, the fins "feather" with water flow when they're not being used to reduce drag; also, they can fold up flush against the hull for exploring skinny-water spots or for beaching. Simply slide the MirageDrive unit into its trunk, lock it in place with its "Click and Go" system and you're off adventuring, with your hands free.

9. Twist and Seal Hatch

A corkscrew mechanism battens down this hatch, keeping items in the stowage compartment dry. The lid is permanently attached to the base via a hinge, so you don't have to worry about losing it when you're under way or camping.

10. Mid-Boat Carrying Handles

These handles are molded into the rails on either side of the kayak's cockpit, making it easier to carry or launch your boat.

11. High-Back Padded Seat with Inflatable Lumbar Support

Thick padding, easily adjusted straps, and a self-inflating lumbar support provide comfort and good posture...perfect for a smooth ride.

12. Fishing Rod Holders

These molded receptacles securely hold your rods and can accommodate gaff, nets and other gear.

13. Cargo Area

Long trips demand plenty of on-deck storage space. Bungee tie-downs ensure that it's still there when you get to camp.

14. Twist and Stow Rudder

There when you need it, gone when you don't. To engage or disengage the retractable-rudder system, simply pull one of the T-shaped control handles. An easy-to-use, fingertip-operated rudder control is fitted near your left hand, making steering a snap.

Mirage Series

Sport

When it comes to delivering multi-sport adventures, the versatile Hobie Sport plays to all audiences. The key is its moveable seat, which can be positioned fore or aft to accommodate kayakers of all statures and ability levels. Hobie's MirageDrive system is standard, and the boat's stable design facilitates a variety of activities, from a leisurely afternoon pedal to a relaxing evening of catching zephyrs using the optional Sail Package.

Specs:

Length: 9' 7" / 2.92 m

Width: 29.5" / 0.75 m

MirageDrive Weight: 6.6 lbs / 3 kg

Hull Weight: 45 lbs / 20.41 kg

Capacity: 225 lbs / 102 kg

Options:

Plug-in cart, Sail package, Bimini, Dodger, Livewell, Hobie eVolve™ powered by Torqeedo electric motor kit

Colors:

Standard Features:

Meets NMMA certification requirements for flotation

Mirage Series

Outback

Regardless of the day's agenda, the Outback's can-do utility and all-around functionality allow you to get the job done in style. A wide hull provides form stability, allowing you to cast—or reel in the big one—without rocking the boat. The Outback features plenty of cargo and storage space, and, thanks to its MirageDrive system, your hands are free to tend to your photography, casting, or whatever else is on the day's "work list".

Specs:

Length: 12' 1" / 3.68 m

Width: 33" / 0.84 m

MirageDrive Weight: 6.6 lbs / 3 kg

Hull Weight: 66 lbs / 29.94 kg

Capacity: 400 lbs / 181 kg

Options:

Plug-in cart, Sail package, Bimini, Dodger, Livewell, Hobie eVolve powered by Torqeedo electric motor kit

Colors:

Standard Features:

Meets NMMA certification requirements for flotation

Revolution 11

Modeled after the bigger Revolution 13, the "Revo 11" features a fast-yet-stable hull form, Hobie's innovative MirageDrive system, generous stowage and lashing configurations and an optional sailing kit, giving you the ability to go. The Revo 11's featherweight hull accelerates quickly and its nimble-minded design and impressive turning radius allows you to adroitly stalk fish and confidently negotiate persnickety shoals or currents.

Specs:

Length: 11' 6" / 3.51 m

Width: 29" / 0.74 m

MirageDrive Weight: 6.6 lbs / 3 kg

Hull Weight: 47 lbs / 21.32 kg

Capacity: 300 lbs / 136 kg

Options:

Plug-in cart, Sail package, Bimini, Dodger, Livewell, Hobie eVolve powered by Torqeedo electric motor kit

Standard Features:

Carrying handle

Large covered bow hatch

Sail mount

MirageDrive

Mesh-covered stowage pockets

8" Twist and Seal hatch w/ gear bucket

Drink holder

Rudder control

Mid-boat carrying handles

Adjustable high-back padded seat w/ inflatable lumbar support

Two-piece paddle w/ on-hull storage

Rod holders

Rear cargo area w/ Bungee tie-downs

8" Twist and Seal hatch

Carrying handle

Twist and Stow rudder

Meets NMMA certification requirements for flotation

Revolution 13

Kayaking form and function intertwine with the Revolution 13. Whether you're seeking a nimble kayak, a floating SUV, or an all-out dragster for settling friendly dockside wagers, the "Revo 13" stands ready. Featuring a lightweight, low-drag hull shape, the Revo 13 accelerates quickly and maintains speed with minimal effort; abovedeck, it's designed for maximum hauling capacity. Three enclosed stowage spots (bow, midships and stern) and a generous stern cargo area facilitate everything from an evening paddle to a multi-day excursion.

Specs:

Length: 13' 5" / 4.09 m

Width: 28.5" / 0.72 m

MirageDrive Weight: 6.6 lbs / 3 kg

Hull Weight: 58 lbs / 26.3 kg

Capacity: 350 lbs / 159 kg

Why Fish from a *Hobie Mirage*?

Peace and quiet. When you ditch the engine, you command the element of surprise; when you trade a heavy fishing boat for a kayak, shallows and reefs become casual casting grounds. Pedal instead of paddle and you liberate your hands to net your catch. Combine these factors and chances are excellent that you'll **catch more fish**—and **have more fun** doing it—than you ever thought possible.

Innovative, experienced design defines every Hobie kayak: Rod holders where you want them; ample stowage and cargo space; comfortable, ergonomic seats and the ability to quickly and stealthily cover ground. Even with so many features standard, we recognize that customizing your rig is as important as tying your own flies. Hobie's Fishing Accessories line has a full compliment of fish-catching tools to help you **tip the scales even more in your favor**, and to ensure that there's no mistaking boats at your local put-in spot.

1a. Anchor Kit

Three-pound folding anchor, 60 feet of line and a storage bag. [Connect to Hobie Anchor Trolley Kit for best results.]

1b. Stake-Out Pole

Easily maintain your position in shallows and currents with Hobie's Stake-Out Pole. The fiberglass pole is equipped with a metal tip, a rubber grip and an attachment-line system. [Connect to Hobie Anchor Trolley Kit for best results.]

1c. Drift Chute

Cone-shaped sea anchor sets in the water to slow your drift when it's windy, or when anchoring isn't possible. [Connect to Hobie Anchor Trolley Kit for best results.]

1d. Anchor Trolley

Closed-loop line that runs the length of the rail—passing through bow and stern pulleys—that makes it easy to deploy your anchor, Drift Chute or Stake-Out Pole from the cockpit and then slide its attachment point fore or aft. Quickly change your upstream or downstream orientation to an anchor. Ties off via a cleat.

2. Fish Finder Package

This state-of-the-art fish-finding kit—specially designed for kayak fishing—is a must-have for serious anglers. Our Fish Finder Package includes a Lowrance® X-4 Pro fish finder with Dual-Search 83/200 kHz technology, a RAM® mount, and a user-friendly installation kit. If you want to catch fish, you need this onboard.

3. Ram Rod Tube

With the Ram Rod Tube, your rod is always at arm's reach. Great for trolling in both salt- and freshwater.

4. Gear Buckets

This drop-in tackle box is specially designed to integrate with Hobie's 8" Twist and Seal hatch to keep you organized. Keep your kit handy with a Gear Bucket.

5. Ultimate Kayak Navigation Package

Hobie's Navigation Package has you covered, whether you're pedaling through pea-soup coastal fog or investigating a new inland lake. Features a cutting-edge Lowrance GPS "Endura Outback", a RAM Mount, and a Ritchie® Compass.

6. Hobie Livewell

The quiet-yet-capable Hobie Livewell is both efficient and effective. Features a high-flow, self-priming Attwood pump, a six-volt gel cell battery and charger, an adjustable drain, and a tank capacity of eight gallons.

7. Rod Holder Extension

Rod Holder Extensions fit into your boat's molded-in rod holders for added rod security. The unit's large-diameter sleeve is wider and deeper than the molded-in holder and can accommodate virtually any kit.

8. Rod Leash

Replacing a lost rod is no trivial purchase; safeguard your investment with Hobie's Rod Leash. The quick-connect hook and heavy-duty, elasticized webbing are effective and unobtrusive.

9. Safety Kit

Fishing involves plenty of sharp objects, so be prepared with Hobie's Safety Kit. The 33-piece first-aid kit includes all of the essentials and fits into an 8" Twist and Seal hatch.

10. Safety Flag

Spotting kayaks and kayakers from other boats is tricky because we sit so low on the water. Increase your visibility with this four-foot tall orange safety pole and pennant. Especially important in heavily trafficked areas.

Mirage Series

Outfitter

Paddling solo is fun but touring with a friend is better. The Outfitter was created around a philosophy of utility, performance and ease-of-use. Onboard, molded utility trays, built-in drink holders, dual helm controls, and well-positioned rod holders make the Outfitter a pleasure to use, regardless of the destination. So whether it's a solo after-work session or a long weekend of float casting with a friend, the Outfitter boasts a wide, stable hull platform, dual MirageDrives and ample stowage space to keep you well provisioned and properly organized.

Specs:

Length: 12' 8" / 3.86 m

Width: 34" / 0.86 m

MirageDrive Weight: 2 @ 6.6 lbs / 3 kg

Hull Weight: 72 lbs / 32.66 kg

Capacity: 425 lbs / 193 kg

Mirage Series

Oasis

Svelte, tight and just right: These design elements sum up the recently retooled Oasis, giving this kayak surprising performance-minded qualities—say, quick acceleration and an impressive cruising speed—without sacrificing utility or camping-gear capacity. The Oasis features three enclosed stowage areas and one generous on-deck cargo area, dual steering controls, a roomy cockpit with dual MirageDrives, giving you the ability to go anywhere, anytime. Whether you're cruising with a wingman or flying solo, you'll be amazed at how well the Oasis performs.

Adventure

A long waterline, a tidy waistline and the pedigree to quickly cover ground typify the Hobie Adventure experience. This long, lean touring kayak allows you to fly through the water, and its deck's carefully positioned features, including molded-in drink holders and mesh-covered stowage pockets, ensure a pleasant ride. The rudder-control system and padded carrying handles make the Adventure an even smoother companion, both on the water and ashore. Best yet, the Adventure's speed, range, ample storage space and ease-of-use will open up a new world of touring possibilities.

Specs:

- Length:** 16' / 4.88 m

Adventure Island

How do you improve an already great kayak? Attach the Adventure Island's ama floats, aka crossbars and unfurl its square-topped, vertically battened mainsail, and you have a stable sailing craft whose seafaring heritage stretches back to the South Pacific. A daggerboard prevents lateral slip, an upgraded rudder and rudder assembly provides control in a breeze; the amas easily fold parallel against the hull to simplify negotiating tight spots or docking. Or, unbolt the sailing kit and enjoy a quiet evening of kayaking.

Standard Features:

- Hobie Mirage Adventure hull (stands alone as a 16' kayak when desired)
- MirageDrive with Turbo Fins
- Two color-coordinated amas
- Deck-mounted, detachable Aka II crossbars
- Fully battened, boomless mainsail
- Daggerboard
- Patented roller-reefing sail with full-length vertical battens
- Two-piece mast
- Full-length mast/sail storage bag
- Harken blocks
- All cordage and sailing hardware
- Oversized rudder
- Two-piece paddle
- Adjustable high-back padded seat with inflatable lumbar support
- Large covered bow hatch with Bungee tie-downs
- Two 8" Twist and Seal hatches
- Gear bucket
- Stern cargo area with Bungee tie-downs
- Meets NMMA certification requirements for flotation

Options:

Plug-in cart, Dodger, Livewell, Aka Trampoline kit, Navigation package, Hobie eVolve powered by Torqeedo electric motor kit, Aluminum trailer

Specs:

- Length:** 16' / 4.88 m
- Mast Height:** 15' 2" / 4.62 m
- Beam w/ Amas Out:** 9' 4" / 2.84 m
- Beam w/ Amas Folded In:** 42" / 1.06 m
- Sail Area:** 57.5 ft² / 5.34 m²
- MirageDrive Weight:** 6.6 lbs / 3 kg
- Sailing Weight:** 115 lbs / 52.16 kg
- Max Load:** 350 lbs / 159 kg

Tandem Island

The feeling is dramatic: The leeward ama presses into the water as the Tandem Island's powerful rig accelerates on even the lightest puff. Best yet, it provides this ride for two. In its most elemental form it's a super-fast, two-person kayak. Attach the aka crossbeams, the ama floats and the two-piece carbon-fiber rig and sailing kit (all included), and you and your partner will be cruising in style, thanks to the Tandem Island's roller-furling, boomless mainsail. Both cockpits have steering and sail-control lines, making it the ideal two-person sailing kayak.

Standard Features:

- Dual MirageDrives fitted with turbo fins
- Two-piece carbon-fiber mast
- Roller-furling, boomless mainsail
- Easily retractable/removable, color-coordinated amas
- Deck-mounted aka crossbars
- Built-in, fully retractable, kick-up centerboard
- Oversized rudder
- Fingertip steering control at both cockpits
- Sheets lead to both cockpits
- Two high-back padded seats with inflatable lumbar support
- Two-piece paddles with on-ama storage
- Harken blocks
- All cordage and sailing hardware
- Rear cargo compartment with Bungee tie-downs
- Large forward storage hatch
- Three 8" Twist and Seal hatches
- Two molded-in rod holders
- Four mesh-covered stowage pockets
- Four drink holders
- Two molded-in carrying handles
- Meets NMMA certification requirements for flotation

Options:

Plug-in cart, Dodger, Aka Trampoline kit, Navigation package, Livewell, Hobie eVolve powered by Torqeedo electric motor kit, Aluminum trailer

Specs:

- Length:** 18' 6" / 5.64 m
- Ama Length:** 13' 4" / 4.06 m
- Beam w/ Amas Out:** 10' / 3.05 m
- Beam w/ Amas Folded In:** 42" / 1.06 m
- Mast Height:** 18' / 5.49 m
- Sail Area:** 90 ft² / 8.4 m²
- MirageDrive Weight:** 2 @ 6.6 lbs / 3 kg
- Sailing Weight:** 190 lbs / 86.18 kg
- Capacity:** 600 lbs / 272 kg

Mirage Series

Hank Parker - Bass Fishing Hall of Fame

Pro Angler

Make no mistake: the Hobie Mirage Pro Angler was purpose-designed to help you catch fish. The boat's fishing-specific hull form offers great stability, and its deck design is packed with the essentials—from an easy-to-reach cutting board, to the adjustable Cool Ride® Seat, to space for 13 Plano® tackle boxes—for days of blissful casting (seated or standing). The Pro Angler holsters six of your rods in its horizontal rod-storage area, plus another two in vertical rod holders. Its voluminous bow and stern lockers keep you organized. If you love fishing, this is your ticket to get on the water more often.

Specs:

- Length:** 13' 8" / 4.17 m
- Width:** 38" / 0.97 m
- MirageDrive Weight:** 6.6 lbs / 3 kg
- Hull Weight:** 88 lbs / 39.9 kg
- Rigged Weight:** 138 lbs / 62.6 kg
- Capacity:** 600 lbs / 272 kg

Options:

- Plug-in cart, Livewell, Hobie eVolve powered by Torqeedo electric motor kit, Right-hand steering kit, Trailax aluminum trailer

Colors:

Standard Features:

- Carrying handle
- Front hatch w/ removable liner
- Accessory mount
- Horizontal rod storage
- Mounting boards
- MirageDrive
- Floor mats
- Drainage scuppers
- Working area/cutting board
- Storage hatch
- Utility trays
- Fingertip steering
- Mid-boat carrying handles
- Mesh-covered stowage pockets
- Cool Ride seat
- Drainage scuppers
- Rod holders
- Cargo area w/ Bungee tie-downs
- 8" Twist and Seal hatch w/ gear bucket
- Rudder access
- Carrying handle

Meets NMMA certification requirements for flotation

Mirage Inflatable Series

i9S

Does your capacity for adventure outstrip your kayak-storage space? If so, the i9S delivers the sort of performance normally found in rigid boats, but with the convenience and portability of an inflatable hull. A wheeled travel case makes negotiating airports and crowded docks a breeze. Store it at home or take it on your next vacation; the i9S stows neatly in a car, RV, or boat. The possibilities are limited only by your imagination.

Specs:

Length: 9' / 2.74 m

Width: 36" / 0.91 m

MirageDrive Weight: 6.6 lbs / 3 kg

Hull Weight: 39 lbs / 17.69 kg

Capacity: 325 lbs / 147 kg

Mirage Inflatable Series

i12s

The great thing about long, rigid kayaks is their speed and performance. The i12S is equally impressive with its inflatable design, its wide hull form, and its MirageDrive, which delivers all-day comfort, speed and performance. An enclosed forward hatch and a large, above-deck storage area—equipped with Bungee tie-downs—gives you the capacity for any tour, from a sunset cruise to a multi-day adventure.

Specs:

Length: 12' / 3.66 m

Width: 36" / 0.91 m

MirageDrive Weight: 6.6 lbs / 3 kg

Hull Weight: 53 lbs / 24.04 kg

Capacity: 500 lbs / 227 kg

Mirage Inflatable Series

i14T

Whether you're enjoying it alone or together, the Hobie i14T packs a lot of boat into an impressively capable inflatable package. Featuring dual MirageDrives and the ability to upgrade to an optional Sail package, the i14T is ideal for anything from a morning workout to an all-day, multi-sport outing. Best yet, its wheeled stow bag makes transporting this two-person kayak a one-person task, and its included high-speed pump will have you out pedaling in no time.

Specs:

Length: 14' / 4.27 m

Width: 36" / 0.91 m

MirageDrive Weight: 6.6 lbs / 3 kg

Hobie eVolve Powered by Torqeedo

Forget about loud, smelly outboards—those just scare fish and annoy sailors. Instead, plug into Hobie's eVolve, a quiet and efficient electric engine that barely sips its battery charge when providing you with clean, dependable propulsion. Maybe there's a ripping tidal current or a series of fast-flowing eddies that you must negotiate before reaching that pristine camp spot. Maybe it's a bay that's always been a little too far to explore. Or maybe it's just been a long day and your tired muscles could use a boost. Irrespective, the clean, quiet, eVolve system will expand your horizons, whether you're using it for your primary or secondary power source.

This compact German-engineered electric-motor kit fits any MirageDrive kayak, and it comes with two mounting options—one midship, the other stern hung. With the Hobie eVolve, you can either maintain steady cruising speeds of two knots (motor only) for up to eight hours, or you can open the throttle for short sprints. Best yet, depending on your set-up, you can use the eVolve to augment your boat speed while also pedaling your MirageDrive. And thanks to its cockpit-mounted Remote Throttle, you always know how much juice you have left in the system's 230wh Lithium-Manganese battery.

If you thought the MirageDrive made kayaking sweeter, wait until you try the eVolve system. Horizons (mental and physical) only expand with power.

2 for 1

BOTH MOUNTS INCLUDED

For all Mirage Series except no Rudder Mount for Pro Angler and Inflatables

Kit Includes:

- Ready-to-go Mirage well-mounted Hobie eVolve
- All cables for the motor and throttle units
- All mounting hardware
- Assembly that integrates the motor with a Twist and Stow rudder
- Sealed/Waterproof Lithium-Manganese high-performance battery (charger included)
- Remote throttle system displays speed and distance information generated by an onboard GPS unit
- Magnetic safety key
- Waterproof fittings and cable connectors

Rudder Position Mount

The rudder-mounted eVolve is the ultimate tool for extending your range and exploration options. This slick system uses a lightweight aluminum assembly to easily integrate an eVolve motor with a Twist and Stow rudder. Pedal and motor; motor, or simply pedal. When off, the engine becomes your rudder or it can be brought on deck via the Twist and Stow controls. (Rudder Mount not included in kit for Pro Angler and Inflatables.)

Mirage Well Mount

A clever way to mount the eVolve motor package is to swap out your MirageDrive for this electric unit. Just slot the well-mounted eVolve into any MirageDrive kayak and instantly enjoy powered propulsion. Ready to use fresh out of the box, the Mirage-mounted eVolve weighs a scant 6.4 pounds—that's 0.2 pounds less than the MirageDrive—and is built to take years of exploration and adventure.

Remote Throttle

While the outboard might be transom-hung, you are seated forward thanks to our Remote Throttle, which attaches via a RAM mounting unit (included) to provide throttle control from your favorite seat. The LCD screen displays all important trip info (such as speed and range) while you're underway. For safety, the unit features a magnetic key-to-throttle connection; break this magnetic connection and the motor immediately stops.

Lithium Battery

A lightweight, 6.6-pound, 230wh Lithium-Manganese battery (8Ah at 28.8V) powers the system's featherweight Torqeedo motor. The battery is buoyant and completely waterproof, ensuring safety and there-when-you-need-it performance. Its built-in GPS unit generates pertinent information such as speed and range.

The Hobie Paddle Series

Lanai

Simplicity and innovation define the Hobie Lanai, a paddle-powered kayak that boasts a surprisingly stable ride, given its tidy waterline. The Lanai combines the best attributes of smaller boats, including maneuverability, acceleration, and skinny-water access, with the stability usually found in far bigger kayakers. At only 9-foot stem-to-stern, the Lanai is ideally suited to shorter paddlers, but it also delivers a full-value ride to taller kayakers as well. Best yet, the Lanai is a snap to put atop a car, on a boat's deck, or even on a bicycle trailer.

Specs:

Length: 9' / 2.74 m

Width: 30" / 0.76 m

Hull Weight: 43 lbs / 19.50 kg

Capacity: 250 lbs / 113 kg

Cooler storage

6" Twist and Seal hatch

Cargo Area
w/ Bungee tie-downs

Carrying handle

Meets NMMA certification requirements for flotation

Standard Features:

Quest 11

This casting kayak has everything you need to fully unwind. The Quest 11's clean, appendage-free underbody glides on the mere suggestion of water and its svelte hull weight and user-friendly handles make portaging a snap. While versatile enough to please any crowd, the Quest 11's angler-friendly pedigree includes covered bow stowage, molded rod holders and a stern cargo area that allows you to haul everything from tackle and crate systems to a Hobie Livewell. The only unresolved questions are when and where.

Specs:

Length: 11' 1" / 3.38 m

Width: 29" / 0.74 m

Hull Weight: 47 lbs / 21.32 kg

Capacity: 300 lbs / 136 kg

Options:

Plug-in cart, Twist and Stow rudder system, Bimini, Livewell, Hobie eVolve powered by Torqeedo electric motor kit

Colors:

Meets NMMA certification requirements for flotation

Quest 13

It's hard to get more basic than paddling and fishing—two of humankind's earliest ways of interacting with Mother Nature. The Hobie Quest 13 combines these two ancient arts in this purpose-built boat that incorporates the features fishermen need: Covered bow and stern stowage compartments, ample space for coolers, tackle boxes or camping gear, plus molded-in rod holders. A large rear cargo area provides storage for extra tackle, crate systems, or a Hobie Livewell. Plus, the Quest 13 can be fitted with Hobie's optional Twist and Stow rudder system, simplifying boat handling and allowing you to quietly stalk choice spots.

Specs:

Length: 13' / 3.96 m

Width: 28.5" / 0.72 m

Hull Weight: 58 lbs / 26.31 kg

Capacity: 350 lbs / 159 kg

Mesh-covered stowage pockets

8" Twist and Seal hatch w/ gear bucket

Mid-boat carrying handles

Two-piece paddle w/ on-hull storage

Adjustable deluxe padded seat

Scuppers

Rod holders

Large cargo area w/ Bungee tie-downs

8" Twist and Seal hatch

Carrying handle

Meets NMMA certification requirements for flotation

Standard Features:

Kona

Built for two but easily handled by one, the Kona is the perfect two-person paddleboat. This two-seater boasts plenty of stability and the nimble, spot-on performance normally found on a one-man boat, giving you the best of both worlds. Its clever design pairs a short waterline with the width normally found on bigger boats, giving you a stable ride and snappy, on-a-dime maneuverability. And if your partner is unexpectedly unavailable for your paddling plans, the Kona easily downshifts to a single-seater.

Specs:

Length: 11' 6" / 3.51 m

Width: 34" / 0.86 m

Hull Weight: 63 lbs / 28.58 kg

Capacity: 425 lbs / 193 kg

Options:

Plug-in cart, Bimini

Colors:

Meets NMMA certification requirements for flotation

Paddle Series

Odyssey

Looking for a physically engaging way to spend time with your family? If so, check out the Hobie Odyssey. This family oriented, go-anywhere, do-anything paddle-only kayak features a long, sleek waterline, a stable hull, and great tracking performance. Factor in its ability to haul 540 pounds and its ample on-deck gear stowage, and you'll find that the Hobie Odyssey reveals worlds of fun. While it can accommodate two, it can be paddled singlehanded using the molded-in center-seat position. Or, this center-seat area can be used to tote along a junior crewmember, extra gear or even the family hound.

Specs:

Length: 14' / 4.27 m

Width: 33" / 0.84 m

Hull Weight: 71 lbs / 32.21 kg

Capacity: 550 lbs / 249 kg

Options:

Plug-in cart, Bimini

Fits Sport, Outback, Revolution and Adventure
#72730001 – Yellow/Adventure Island
#72730002 – Silver/Adventure Island
#72730003 – Camo/Pro Angler

Hobie Trailex Trailers

This lightweight aluminum trailer system can be ordered in three different configurations to accommodate up to four boats. Aluminum construction ensures corrosion resistance, and a sturdy build delivers a smooth, dependable ride.
#38652000 – Single
#38652200 – Double
#38652210 – Tower

Plug-In Heavy-Duty Cart

Highest-capacity cart with very durable knobby wheels. Welded stainless steel frame. Wheels are easily removable for storage. Also includes cart keeper feature and cart clamps. (225 lbs capacity).
 #80046001 – Heavy Duty Cart
 Other carts available for different terrain.

Roof Rack Pads

Keep your boats looking sharp with Hobie's Roof Rack Pads. Split-bottom design with Velcro™ closure system ensures easy-on, easy-off operation.
 #72045-24" – Roof Rack pads (Pair)
 #72046-36" – Roof Rack pads (Pair)

Tie-Down Straps

Keep your boat where you put it with these strong and durable tie-down straps. Metal fasteners make it easy to secure boats without prerequisite knot-mastery skills.
 #72042 – 12' Tie-Downs (Pair)
 #72043 – 15' Tie-Downs (Pair)

Safety Kit

Hobie's Safety Kit gives you a wide range of tools to get out of tight spots. Includes a 33-piece first-aid kit, waterproof flashlight, signal mirror, space blanket, whistle, utility tool, and most importantly, duct tape. (Specific items subject to change.)
 #72020010 – Hobie Safety Kit

Recreation Packages

Mirage Performance Package

ST Turbo fins, large rudder, Speedo Tube
 #72020024 – Mirage Performance Package

Travel Package

Standard plug-in cart, tie-down straps, roof rack pads
 #72020025 – Travel Package

Safety Package

Hobie Safety Kit, Safety flag, HydroStar light
 #72020026 – Safety Package

Ultimate Kayak Navigation Package

Lowrance GPS, RAM GPS mount, Ritchie Compass
 #72020033 – Ultimate Kayak Navigation Package

See Parts and Accessories Catalog on website for more details.

Hobie Fishing Accessories

Hobie Hi-Back Fisherman

Ready and loaded, this new fishing and hunting vest is the ideal PFD. Comfort, safety, with all the necessities close at hand.
#S6148XXX – Hi-Back Fisherman/Mango
#S6149XXX – Hi-Back Fisherman/Cactus
(XXX = size – SMD/LXL/XXL)

Hobie Rod Leash

It's one thing if "the big one" gets away; it's a different story if you lose your favorite rod. Secure it with this leash.
#74052001 – Hobie Rod Leash

Inflatable Life Jacket

Extremely lightweight, cooler and more comfortable than typical PFDs. Functional design for multiple types of water sports like fishing, kayaking, and sailing.
#S6779RG – Red/Grey
#S6779TG – Tan/Grey

Hobie Gear Keeper

Tools, keys, cell phones — they all sink. Quickly. Keep them on lock-down with a Hobie Gear Keeper.
#72020001 – Large Hobie Gear Keeper
#72020000 – Small Hobie Gear Keeper

T-Shirt

Loyalty starts at your dresser drawer. Multiple designs and colors available to fit your lifestyle.
#5131XX
(XX=size)

Gear Bucket

The ultimate utility tray. Perfectly organizes tackle, tools, parts and easily fits into existing 8" Twist and Seal hatches.
#71704001 – Hobie Gear Bucket
#71704021 – Large Hobie Gear Bucket

Rod Holder Extension

Easily slides into your boat's existing molded rod holders to add security, and to help hold reels higher above the water.
#72020014 – Hobie Rod Holder Extension

Large Rudder

If you sail or kayak in choppy or windy conditions, or if you're simply looking for better boat control, Hobie's Large Rudder is your answer. Compatible with Hobie's Twist and Stow rudder system.
#81397001 – Large Rudder
#81395201 – Small Rudder

Anchor Kit

Stay put when you want to with this three-pound folding anchor. Kit includes 60 feet of line and a zippered stowage bag with end clips.
#80035A – Anchor Kit

Anchor Trolley Kit

Clever messenger-cable system easily allows you to set your anchor, deploy your sea anchor or Stake-Out Pole from the cockpit. Makes it a cinch to perfectly position your boat without having to shimmy forward or aft to fasten lines.
#72020008 – Anchor Trolley Kit

Hobie Drift Chute

Perfectly control your drifting speed with this handy sea anchor.
#72020009 – Hobie Drift Chute

Stake-Out Pole

Hold your position in shallow water with this vertical anchor. Just drive the pole into a sandy or muddy bottom and secure it to your bow, stern or Anchor Trolley Kit.
#72076001 – Stake-Out Pole

Mirage ST Turbo Kit

Boost your cruising and sprinting speeds with these bigger, sleeker fins. Compatible with all MirageDrives.
 #72065 – Mirage ST Turbo Kit
 #72066001 – V2 Version(2009 and newer)
 *Includes two fins and two longer masts.

Livewell

This clever, quiet, 8-gallon unit is custom designed to work with most all Hobie kayaks. Accommodates three rods, and comes fully assembled (including batteries and charger). Two more optional rod holders may be added.
 #72020007 – Hobie Livewell

Hunting Accessories

Organize your gun kit and make yourself and your boat virtually disappear with Hobie's hunting accessories. It's the next best thing to an invisibility cloak.
 #72020013 – Gun Mounts
 #72720 – Dodger Camo (fits Outback)
 #72730003 – Dodger Camo (fits Pro Angler)

Sidekick

Perfect for anyone seeking more stability. Fits most all Hobie kayaks and works with other kayak designs as well.
 #72062101 Sidekick Ama Kit – Light Grey
 #72063101 Sidekick Ama Kit – Dark Green

Fishing Packages

Ultimate Fishing Package

Fish Finder package, Hobie Gear Bucket (3 packs), RAM Tube Rod Holder, Anchor Trolley Kit, (2) Hobie rod holder extensions, (2) Rod leashes
 #72020021 – Ultimate Fishing Package

Fish Finder Package

Includes X-4 Pro Fish Finder, Ram Mount and Hobie installation kit (kayak specific).
 #72020020 – Fish Finder Package

Fly Fishing Package

Hobie Sidekick, Ram fly-rod holder, Large Hobie Gear Keeper
 #72020022 – Fly Fishing Package

Kayak Customization Package

Customize your kayaking experiences by swapping out the standard stock thread-in fittings with these optional attachment points. Looks cool and adds ease-of-use.
 #72020023 – Kayak Customizing Package

See Parts and Accessories Catalog on website for more details.
