

HOBBIE KAYAKING + FISHING COLLECTION

# HOBIE HISTORY

## 1950

Hobie Alter shaped his **first surfboard** in his parents' Laguna Beach garage.

## 1958

Hobie teamed up with Grubby Clark to produce the world's **first fiberglass-and-foam-core boards**, revolutionizing surfing.

## 1966

Recognizing that people needed better-quality, sport-specific clothing, Hobie started selling his now-iconic **line of sportswear**.

## 1968

After ample hands-on R&D, Hobie introduced a lightweight, beachable sailing catamaran, the **Hobie 14**.

## 1974

Introduced the **Hobie Hawk** remote controlled glider.

## 1977

Seeking all-out speed, the **Hobie 18** delivered serious velocity thrills to sailors worldwide.

## 1982

Reading the water is tricky, but Hobie famed reflected light with its line of **polarized sunglasses**.

## 1984

The windsurfing scene was exploding and Hobie contributed by distributing **Alpha Sailboards**.

## 1986

Pursuing new ways to play, Hobie introduced its **first kayak, the Alpha Wave Ski**.

## 1987

Ladies love watersports, so Hobie delivered fashion-forward, functional **women's swimwear**.

## 1994

The **Hobie Float Cat** marked the company's first cast into angling.

## 1994

The **Hobie Wave** was designed and crafted as the perfect, simple, rotomolded catamaran.

## 1954

Demand for Hobie's boards spiked, so he opened his **first Surf Shop in Dana Point, California**.

## 1962

After witnessing the birth of skateboarding, Hobie introduced **polyurethane skateboard wheels**—the sport's biggest evolution.

## 1970

*Classic.* The two-person, double-trapeze **Hobie 16** became an international sensation, instantly sparking the "*Hobie Way of Life*".

## 1982

The **Hobie 33**, the fastest, sleekest monohull in its class.

## 1985

The **Hobie 17** redefined one-person multihulls, rewarding sailors with speed, performance and power.

## 1987

The **Hobie 21** was bigger, faster, and room for more fun.

## 1991

The **Hobie 20** immediately became the fastest set of hulls afloat, testing sailors' mettle.

The World is a Waterpark...  
and **Since 1950** we've made  
the **Best Rides**

**1997**

**Hobie MirageDrive**® delivered "A New Way to Kayak," by pedaling instead of paddling.

**1996**

The **Hobie Pursuit kayak** ushered in a new generation of rotomolded polyethylene touring kayaks.

**2000**

The **Hobie Mirage Tandem** introduced two-person, Mirage kayaking experience, while offering an optional sail kit.

**2001**

The **Mirage Outback** introduced kayak fishing in an SUV package.

**2002**

The **Hobie Bravo** was easy to learn, fun to ride.

**2006**

The versatile **Mirage Adventure Island** offered the ability to sail, pedal, paddle and play.

**2008**

**Hobie Bags**, totes, backpacks, and luggage let you travel, Hobie style.

**2012**

**Hobie by Hurley Sportswear** offered function and style to a new level.

**2008**

Hobie landed a massive strike with the **Mirage Pro Angler**, a feature-laden, angler-specific boat.

**2012**

**Hobie Mirage Pro Angler 12**—a more compact Pro Angler with revolutionary Vantage Seating.

**1995**

A design ahead of its time, the **Hobie TriFoiler** dropped jaws with its staggering speed.

**1996**

Hobie expanded into new water and snow sports, innovating **bodyboards, snowboards, wakeboards and waterskis**.

**1997**

The **Mirage® Kayak** became the world's first kayak with a dedicated MirageDrive well.

**2000**

The **Hobie Getaway**, durable, rotomolded, and room for the whole family.

**2001**

Formula 18-class killers, the **Hobie Tiger**, followed by the **Wild Cat**, gave sailors the foils to dominate race-courses worldwide.

**2005**

**Stand Up Paddling** was all the rage and Hobie's SUP's are the best afloat.

**2007**

The Hobie Mirage i12S was the world's **first inflatable Mirage Series kayak**, offering travel-friendly fun.

**2010**

The **Mirage Tandem Island**—the Adventure Island's big brother—delivered serious two-person, multi-sport fun.

# Hobie Kayaks— The Sweetest Ride Afloat

**At Hobie, helping people have unforgettable on-the-water experiences, ranks supreme.**

We believe that kayaking should be accessible, rewarding and—above all else—fun. This starts with locomotion. For many kayakers, long hours of paddling can dampen their fun factor, and paddle splashes can startle fish and wildlife. So we asked a hard question: why labor to pull with your arms when it's infinitely more efficient to push with your legs?

The genius behind the Hobie MirageDrive's double-scissor action was developed by carefully studying how penguins swim. Our engineers realized that these amazing birds' efficient fin stroke was a perfect solution to powering your kayak. After countless hours of R&D and miles of on-the-water pedaling, our breakthrough design linked a pair of cockpit-mounted pedals to a set of powerful underwater fins that are constructed out of a flexible, durable plastic. When pedaled, the fins flex to assume the shape of a propeller blade, scissoring back and forth on both the front stroke and the back stroke, yielding a smooth, efficient ride.

Hobie's innovative MirageDrive propelled kayaking into a brave new era by combining the ease and go-all-day endurance of flatland cycling with the joys of kayaking. Whether it's punching across an exposed patch of water, exploring new casting grounds, or nosing through a mangrove forest at sunset, Hobie's MirageDrive delivers snappy, reliable performance, confidence-inspiring power and all-day efficiency. But this is only one element of what makes kayaking, Hobie-style, so sweet.

**Here's an overview of the other innovative features that have made Hobie Kayaks world-renowned:**

## 1. *MirageDrive*

Hobie's MirageDrive was borne of the theory that it's easier to push something with your legs (big muscles) than it is to pull it with your upper-body (smaller muscles). On Hobie Mirage Series kayaks, traditional paddles are included but optional. Instead, two pedals—fitted to levers just forward of your seat—are attached to powerful underwater fins via the MirageDrive's efficient gear mechanism. When pedaled, these flexible fins assume the shape of a propeller blade, providing forward motion with each pedal stroke. And because the pliable fin inverts its shape on the back stroke, each pedal stroke distributes power evenly, moving you quickly through the water while keeping your boat tracking evenly. Plus, the durable fins "feather" with water flow when they're not being used, reducing drag; they also lay flush against the hull for exploring skinny-water spots or for beaching. Simply slide the MirageDrive into its well, lock it in place with its "Click and Go" system and you're off on a Hobie adventure.

### 2. Molded Carrying Handles

In the real world, details are everything. Ergonomic handles fitted to stainless padeyes (bow and stern) make portaging easier and more comfortable.

### 3. Large Covered Bow Hatch

Enables easy access to the bow's stowage compartment. A security strap with a detachable clip tethers the hatch; abovedeck, Bungee® cords secure extra gear.

### 4. Sail Mount

Harness the wind and your horizons expand infinitely. The optional Mirage Sail Kit's mast securely steps onto a deck-mounted fitting. Enjoy added power without complication; Mirage Sail Kits make sailing fun and easy.

### 5. Two-piece Paddle with Fiberglass Shaft

Negotiate surf-strewn beaches and rocky inlets with additional confidence, or go old school and paddle for an upper body workout. Conveniently clips onto the hull when not needed.

### 6. Mesh-covered Stowage Pockets

Easy access and safe stowage for the things you reach for most. Never miss that photo op again!

### 7. Drink Holder

Cold, hot or somewhere in between— we've got a convenient spot for your favorite beverage.

### 8. Rudder Control

Soft handle makes fingertip steering easy.

### 9. Twist and Seal Hatch

An efficient corkscrew mechanism ratchets down this hatch, keeping stowed items secure irrespective of the sea state. The lid is permanently attached to its base via a hinge, so you don't have to worry about leaving it at last night's campground.

### 10. Mid-Boat Carrying Handles

These ergonomic handles are bolted onto either side of the kayak's cockpit, making it easier to negotiate launching ramps or transport.

### 11. High-Back Padded Seat with Inflatable Lumbar Support

Self-inflating lumbar support, thick padding, and easily adjustable straps provide comfort and good posture... essential ingredients for a smooth, comfortable ride.

### 12. Fishing Rod Holders

These molded-in holsters securely tote your rods, are perfectly angled for trolling and can accommodate a gaff, nets and other gear.

### 13. Cargo Area

Big adventures demand plenty of gear. These molded areas and Bungee tie-downs ensure that it's still there when you get to camp.

### 14. Twist and Stow Rudder

Hobie's Twist and Stow Rudder is there when you need it, gone when you don't. Simply pull one of the T-shaped control handles to engage or disengage the retractable-rudder system. Fingertip-operated steering is fitted near your left hand, making driving a snap.

## MIRAGE *SPORT*

Looking for one kayak that can entertain most of the family? If so, meet the Hobie Mirage Sport, a do-it-all touring, fishing and sailing (with the optional Sail package) kayak that's as easy to use as it is to store and maintain. A lightweight, rotomolded polyethylene hull encourages fun on the water, easy beaching, and its movable seat accommodates kayakers of all heights. Hobie's MirageDrive pedal-power delivers efficient primary propulsion to your favorite location.

**SPECS:**

**Crew:** 1

**Length\*:** 9' 7" / 2.92 m

**Width\*:** 29.5" / 0.75 m

**Capacity\*:** 225 lbs / 102 kg

**Fitted Hull Weight\*:** 53 lbs / 24.04 kg

**Fully Rigged Weight\*:** 66.3 lbs / 30.07 kg

**Hull Construction:** Rotomolded Polyethylene

*\*Refer to website for complete details*

The versatile **Mirage Sport**  
plays to all audiences.

## MIRAGE *OUTBACK*

All kayaks are created equal, right? *Hardly.* Peer closer at the Hobie Mirage Outback and the distinction between lesser kayaks becomes obvious. Stand-out features include a nearly indestructible rotomolded polyethylene hull, a MirageDrive for paddle-free touring, ample above- and belowdeck stowage, a Twist and Stow rudder for fingertip steering, and multiple molded-in rod holders. Best yet, a beamy hull provides form stability, allowing you to cast—or land the big one—without rocking the boat.

**SPECS:**

**Crew:** 1

**Length\*:** 12' 1" / 3.68 m

**Width\*:** 33" / 0.84 m

**Capacity\*:** 400 lbs / 181 kg

**Fitted Hull Weight\*:** 75 lbs / 34.02 kg

**Fully Rigged Weight\*:** 88.3 lbs / 40.05 kg

**Hull Construction:** Rotomolded Polyethylene

\*Refer to website for complete details

The Outback boasts the functionality, stability and utility to **get the job done.**

Whether it's a day of casting, sailing, or capturing your next shot, the Revolution 11 has you covered.

#### **SPECS:**

**Crew:** 1

**Length\*:** 11' 6" / 3.51 m

**Width\*:** 29" / 0.74 m

**Capacity\*:** 275 lbs / 125 kg

**Fitted Hull Weight\*:** 57 lbs / 25.85 kg

**Fully Rigged Weight\*:** 70.3 lbs / 31.89 kg

**Hull Construction:** Rotomolded Polyethylene

**\*Refer to website for complete details**

Modeled after the popular Hobie Revolution 13, the "Revo 11" sports a fast-yet-stable hull, Hobie's innovative MirageDrive, generous belowdeck stowage, myriad on-deck lashing opportunities and an optional sailing kit, giving you the ability to go whenever the mood strikes. The Revolution 11's lightweight hull rewards energy input with quick acceleration and her tight turning radius allows you to adroitly stalk fish and confidently explore reefs. Ideal for small-to-midsized kayakers.

# Kayaking form and function intertwine with the **Revolution 13**

**SPECS:**

**Crew:** 1

**Length\*:** 13' 5" / 4.09 m

**Width\*:** 28.5" / 0.72 m

**Capacity\*:** 350 lbs / 159 kg

**Fitted Hull Weight\*:** 69.5 lbs / 31.52 kg

**Fully Rigged Weight\*:** 82.8 lbs / 37.56 kg

**Hull Construction:** Rotomolded Polyethylene

**\*Refer to website for complete details**

Some kayaks are specialists, others generalists. The Hobie Revolution 13 is both. Whether you're seeking a floating SUV or a dragster, the "Revo 13" stands ready. Featuring a lightweight, rotomolded polyethylene hull form, the "Revo 13" maintains pace with minimal effort—key for trips of all varieties. The optional Sail package provides an alternative to paddling or pedaling the MirageDrive, and the Revo 13's rod holders and padded seat provide all-day amenities. Game on!

# Why fish from a Hobie Mirage?

*Serenity.* If you ditch the noisy outboard, you avoid telegraphing your presence to resident fish; when you trade a heavy, bulky fishing boat for a nimble, svelte kayak, shallows and reefs become casual casting grounds. Pedal instead of paddle and you liberate your hands to net the big one. Combine everything and odds are excellent that you'll land more fish—while having more fun doing it—through the ultimate fishing experience.

Well-developed, user-friendly design defines every Hobie kayak: Rod holders where you need them; abundant stowage and cargo space; adjustable, ergonomic seats and the ability to quickly and quietly cover ground. Even with so many standard features, we know from experience that customizing your rig is as important as personally knowing every fly in your tackle box. Hobie's line of Fishing Accessories provides you with a full compliment of fish-nabbing tools that help custom tailor the look and utility of your ride.

**A New Way to Fish in the same familiar places.**

### **1a. Anchor Kit**

Three-pound folding anchor, 50 feet of line and a storage bag. (Connect to Hobie Anchor Trolley Kit for best results.)

### **1b. Stake-Out Pole**

Easily maintain your position in shallows and currents with Hobie's Stake-Out Pole. The fiberglass pole is equipped with a metal tip, a rubber grip and an attachment-line system. (Connect to Hobie Anchor Trolley Kit for best results.)

### 1c. Drift Chute

Cone-shaped sea anchor sets in the water to slow your drift when it's windy, or when anchoring isn't possible. (Connect to Hobie Anchor Trolley Kit for best results.)

### 1d. Anchor Trolley

Closed-loop line that runs the length of the rail—passing through bow and stern pulleys—that makes it easy to deploy your anchor, Drift Chute or Stake-Out Pole from the cockpit and then slide its attachment point fore or aft. Quickly change your upstream or downstream orientation to an anchor. Ties off via a cleat.

### 2. Fishfinder Package

This state-of-the-art fish-finding kit—specially designed for kayak fishing—is a must-have for serious anglers. Our Fishfinder Package includes a Lowrance® X-4 Pro Fishfinder with Dual-Search 83/200 kHz technology, a RAM® mount, and a user-friendly installation kit. If you want to catch fish, you need this onboard.

### 3. Ram Rod Tube

With the Ram Rod Tube, your rod is always at arm's reach. Great for trolling in both salt and freshwater.

### 4. Gear Buckets

This drop-in tackle box is designed to integrate with Hobie's 8" Twist and Seal hatch to keep you organized. Keep your kit handy with a Gear Bucket.

### 5. Ultimate Kayak Navigation Package

Hobie's Navigation Package has you covered, whether you're pedaling through pea-soup coastal fog or investigating a new inland lake. Features a cutting-edge Lowrance GPS "Endura Outback", a RAM Mount, and a Ritchie® Compass.

### 6. Hobie Livewell

The quiet-yet-capable Hobie Livewell is both efficient and effective. Features a high-flow, self-priming Attwood pump, a six-volt gel cell battery and charger, an adjustable drain, and a tank capacity of eight gallons.

### 7. Rod Leash

Replacing a lost rod is no trivial purchase; safeguard your investment with Hobie's Rod Leash. The quick-connect hook and heavy-duty, elasticized webbing are effective and unobtrusive.

### 8. Rod Holder Extension

Rod Holder Extensions fit into your boat's molded-in rod holders for added rod security. The unit's large-diameter sleeve is wider and deeper than the molded-in holder and can accommodate virtually any kit.

### 9. Safety Kit

Fishing involves plenty of sharp objects, so be prepared with Hobie's Safety Kit. The 33-piece first-aid kit includes all of the essentials and fits into an 8" Twist and Seal hatch.

### 10. Safety Flag

Spotting kayaks and kayakers from other boats is tricky because we sit so low on the water. Increase your visibility with this four-foot tall orange safety pole and pennant. Especially important in heavily trafficked areas.

Smooth, stable and built for two,  
the **Outfitter** is designed for fun.

**SPECS:**

**Crew:** 1-2

**Length\*:** 12' 8" / 3.86 m

**Width\*:** 34" / 0.86 m

**Capacity\*:** 425 lbs / 193 kg

**Fitted Hull Weight\*:** 86 lbs / 39.01 kg

**Fully Rigged Weight\*:** 111.6 lbs / 50.62 kg

**Hull Construction:** Rotomolded Polyethylene

\*Refer to website for complete details

Fun alone and even more fun with a friend, the Hobie Mirage Outfitter is the ideal all-day boat. The design brief was simple: to create an easy-to-use, performance-minded, rotomolded polyethylene kayak that would provide years of reliable service. Built-in drink holders and utility trays, dual helms and MirageDrives—plus a mast step for the optional Sail package—give the Outfitter serious legs, and the boat's wide beam, relative to its tidy length, delivers a stable, stowable and comfortable platform.

Long, feature-filled, and designed to perform *just* right, the Oasis boasts quick acceleration and impressive cruising speeds, without sacrificing its capacity for hauling gear. Three enclosed stowage areas, a generous on-deck cargo area that's ready for an optional Hobie Livewell—plus molded rod holders—provide maximum flexibility when it comes to choosing adventures big and small. Whether it's a long weekend of float casting with friends or camping with the family, the Oasis gets the job done in style and comfort.

Whether solo or with a friend,  
you'll be amazed at how well  
the ***Oasis performs.***

**SPECS:**

**Crew:** 1-2

**Length\*:** 14' 6" / 4.42 m

the Adventure  
opens up a new  
world of touring  
possibilities

#### **SPECS:**

**Crew:** 1

**Length\*:** 16' / 4.88 m

**Width\*:** 27.5" / 0.7 m

**Capacity\*:** 350 lbs / 159 kg

**Fitted Hull Weight\*:** 75.5 lbs / 34.25 kg

**Fully Rigged Weight\*:** 88.8 lbs / 40.28 kg

**Hull Construction:** Rotomolded Polyethylene

**\*Refer to website for complete details**

*Sleek.* The Hobie Mirage Adventure boasts a long, lean undercarriage that's low on drag and big on speed, allowing you to glide along at speeds that are typically reserved for far more fragile kayaks. But instead of requiring constant dotting, the Adventure's rugged, rotomolded polyethylene hull stands ready to brave any beach. Consider the Adventure's range and speed—coupled with creature comforts such as ergonomic carrying handles and its comfortable, high-backed seat—and the advantages are obvious. With a 16' hull design for touring at speed plus MirageDrive power, covering distance with ease is the Adventure's game.

the Adventure Island blends timeless  
design with Hobie innovation

Kayaks and trimarans provide truly outstanding ways of enjoying the water—the Hobie Mirage Adventure Island combines these joys in one easy-to-use package. Detach the crossbars, akas and amas and you have an adventure-touring kayak; reattach it all, step the rig and you have a nimble trimaran. A roller-furling, vertically battened mainsail provides lift, a daggerboard prevents lateral slip, and the amas tuck parallel against the rotomolded polyethylene hull for docking. Multiple hatches and on-deck stowage encourage multi-day adventures, and the MirageDrive offers paddle-free locomotion when kayaking or when the wind scatters, making it easy to get home.

#### STANDARD FEATURES:

- Hobie Mirage Adventure kayak hull
- MirageDrive with Turbo Fins
- Two color-coordinated amas
- Deck-mounted, detachable aka crossbars
- Fully-battened, boomless mainsail
- Daggerboard
- Patented roller-reefing sail with full-length vertical battens
- Two-piece mast
- Full-length mast/sail storage bag
- Harken blocks
- All lines and sailing hardware
- Kick-up Island rudder
- Two-piece paddle with fiberglass shaft
- Adjustable high-back padded seat with inflatable lumbar support
- Large covered bow hatch with Bungee tie-downs
- Two 8" "Twist and Seal" hatches
- Gear bucket
- Stern cargo area with Bungee tie-downs

#### OPTIONS:

Plug-in cart, Dodger, Livewell, Aka Trampoline kit, Navigation package, Hobie eVolve™ powered by Torqeedo electric motor kit, Aluminum trailer (can adapt for one or two Islands), Beach Wheels/Dolly

#### SPECS:

**Crew:** 1

**Length\*:** 16' / 4.88 m

**Beam w/ Amas Out:** 9' 4" / 2.84 m

**Beam w/ Amas Folded In:** 42" / 1.06 m

**Capacity\*:** 350 lbs / 159 kg

**Fitted Hull Weight\*:** 86.5 lbs / 39.24 kg

**Fully Rugged Weight\*:** 115 lbs / 52.16 kg

**Mast Length:** 15' 2" / 4.62 m

**Sail Area:** 57.5 ft<sup>2</sup> / 5.34 m<sup>2</sup>

**Hull Construction:** Rotomolded Polyethylene

\*Refer to website for complete details

Join the  
**Hobie Island Club**

[hobiecat.com/hobieislandclub](http://hobiecat.com/hobieislandclub)

### The feeling is unmistakable: The puff tickles the back of your neck and your Hobie Island Series boat immediately reacts.

The sail fills, the leeward ama float presses into the water (keeping the boat stable and flat), and your boat speed spikes. Closing speeds quicken, yet steering and controls are all mere fingertip affairs thanks to the boat's large Kick-up Rudder and its simple-but-effective sheeting scheme. Soon, you're flying across your local waters, an infectious grin spreading as your pace quickens. The feeling of balance, power and fun are impressive, and the boat's simple-but-sophisticated rig and slick ama design ensure years of good times.

But how did this clever, multidimensional boat come into existence? It all started when Hobie revolutionized multi-sport kayaking by introducing the Adventure Island (AI), an expedition-worthy, MirageDrive-driven touring kayak that easily transforms into a sweet-sailing, Polynesian-style trimaran. Just attach the carefully designed akas (crossbeams) and amas (floats), step the boomless sailing rig and you're off—it's that simple.

We later expanded this same level of fun and adventure with the Tandem Island (TI), the AI's two-person big brother. The TI features plush seats, two MirageDrives, fingertip steering in both cockpits, and a shared design philosophy that emphasizes big fun and years of excellent return-on-investment, while also providing another exciting way of enjoying the water. Factor-in all-day comfort, serious speed and ample stowage space and the only remaining questions are "with who" and "where".

### 1. Sailplan

Island Series boats feature square-topped, boomless, roller-furling mainsails with vertically orientated battens that provide excellent lift, sail shape and speed at all points of sail. By adding sailcloth at the top of the sail, Hobie's designers reduced aerodynamic drag (just like modern jet airplanes that use "winglet" extensions). The vertically orientated battens help support this extra leech area, and the easy-to-trim boomless sail makes tacking and gybing a matter of swinging your bow or stern through the breeze. And should the winds pipe up or dwindle, the sail features a roller-furling mechanism that easily allows you to adjust how much sailcloth you're flying—just pull a line and it's done.

### 2. Two-Piece Carbon-Fiber Rig

The boat's two-piece carbon-fiber mast helps to eliminate weight aloft (thus reducing the boat's tendency to heel) and it also ensures plenty of strength in the rig on blustery fall or spring days. Best yet, the stiff carbon-fiber tube helps provide the ideal sail shape—irrespective of wind conditions—while remaining featherweight, allowing sailors of all strengths to easily step the rig.

### 3. Sail Mount

Simply drop the mast into its dedicated sleeve, click-it in place with its built-in locking mechanism, hook in the clew, sheet in and start sailing.

### 4. Akas

Hobie's Island Series boats are designed to provide maximum multi-sport versatility and the Adventure-series aka crossbars are a big part of this magic. These easy-to-use bars allow you to quickly and safely attach the ama floats, which convert the Adventure-series kayaks into capable trimarans. Quick-release clips allow for easy set-up and takedown, while the aka crossbars are designed to be strong and durable. Dedicated clips and straps holster unused paddles, plus you can add optional tramps for more deck space.

### 5. Diagonal Crossbars

These struts provide support for the aka crossbeams and are designed to easily unclip, allowing the ama float to swing flush against the hull for docking, boarding or trailer transport.

### 6. Amas

Instead of relying on a heavy, cumbersome keel to keep a monohull flat, trimarans use amas, which prevent the boat from capsizing by presenting a wide platform with plenty of buoyancy on either side (port and starboard). Hobie's aerodynamically designed amas easily attach to the aka connection trunks via Bungee loops and provide plenty of form stability, regardless of wind speed. Hobie's amas (and the main hull) are built out of sturdy, rotomolded polyethylene, which removes all the worry from docking and beaching and ensures years of great use.

### 7. MirageDrive with Turbo Fins

Two pedals—fitted to levers just forward of your seat—are attached to powerful underwater fins via an efficient gear mechanism. When pedaled, these flexible fins assume the shape of a propeller blade, providing forward motion. Then, on the backstroke, the pliable fin inverts its shape, distributing power evenly and keeping your boat tracking straight. The durable fins can "feather" to reduce drag and they can lay flush against the hull for beaching. Slide the MirageDrive into its well, secure it with its "Click and Go" system and you're off.

### 8. Centerboard

Prevent lateral slippage with this easily deployed centerboard. Just pull the handle knob up and slide forward to retract the blade for beaching, transporting or off-the-breeze angles.

### 9. Cargo Area

Molded-in, on-deck storage area accommodates extra equipment and holds it fast via Bungee tie-downs.

With the **Hobie Island Series**  
the options are endless... and so **is the fun.**

## MIRAGE **TANDEM ISLAND**

The puff hits and the Hobie Mirage Tandem Island's leeward ama chisels into the water, its efficient, square-topped mainsail immediately translating increased wind speed into extra boat speed. The Tandem Island's two-piece carbon-fiber rig minimizes weight aloft—thus stiffening the ride—and both cockpits are fitted with steerage and sail-handling controls, allowing sailors of all abilities to share the experience. Best yet, the crossbars, amas, akas and rig are easily stripped, converting the Tandem Island's rotomolded polyethylene hull into a highly efficient, pedal-or paddle-powered touring kayak with enough hatches and on-deck stowage for multi-day escapes.

# Grab a partner and enjoy the ride.

## STANDARD FEATURES:

- Two MirageDrives with Turbo Fins
- Two-piece carbon-fiber mast
- Roller-furling, boomless mainsail
- Easily retractable/removable, color-coordinated amas
- Deck-mounted aka crossbars
- Built-in, fully retractable, kick-up centerboard
- Kick-up Island rudder
- Fingertip steering control at both cockpits
- Sheets lead to both cockpits
- Two high-back padded seats with inflatable lumbar support
- Two 2-piece paddles with on-aka storage
- Harken blocks
- All lines and sailing hardware
- Rear cargo compartment with Bungee tie-downs
- Large forward storage hatch
- Three 8" "Twist and Seal" hatches
- Two molded-in rod holders
- Four mesh-covered stowage pockets
- Four cup/bottle holders
- Four molded carrying handles

## OPTIONS:

Plug-in cart, Dodger, Aka Trampoline kit, Navigation package, Livewell, Hobie eVolve powered by Torqeedo electric motor kit, Aluminum trailer, Beach Wheels/Dolly

## SPECS:

**Crew:** 2

**Length\*:** 18' 6" / 5.64 m

**Hull Construction:** Rotomolded Polyethylene

\*Refer to website for complete details

When the angling agenda calls for a stable, capable and budget-friendly kayak, the Hobie Mirage Pro Angler 12 stands ready. Its innovative rotomolded polyethylene hull form allows you to confidently stand and cast, and its fishing-specific deck configuration accommodates six rods (two vertically; four horizontally) while allowing immediate access to tackle. Generous bow stowage swallows gear, and the Livewell-ready, Bungee-secured stern cargo area increases versatility. A Turbo Fin-equipped MirageDrive enables efficient locomotion, and the adjustable Vantage seat comfortably supports big adventures.

**Large Twist and Seal hatch with pivoting  
tackle management system and under-  
seat tackle storage**

**"Lowrance Ready" built-in transducer  
mount with pre-installed through-hull  
cable plugs**

## MIRAGE *PRO ANGLER 14*

Fish be warned: the Hobie Mirage Pro Angler 14 *excels* at helping anglers land prizes of every fin, stripe and color. Whether it's a day of drift casting, dry flying, or exploring new saltwater haunts, the boat's super-stable, standing-friendly, rotomolded polyethylene hull encourages all styles of fishing. The Pro Angler 14's feature-laden deck packs the essentials—from an easy-to-reach cutting board, to the fully adjustable Vantage Seat, to stowage for multiple Plano® tackle boxes—for *years* of blissful fishing.

**SPECS:**

**Crew:** 1

**Length\*:** 13' 8" / 4.17 m

**Width\*:** 38" / 0.97 m

**Capacity\*:** 600 lbs / 272 kg

**Fitted Hull Weight\*:** 110 lbs / 49.9 kg

**Fully Rugged Weight\*:** 138 lbs / 62.6 kg

**Hull Construction:** Rotomolded Polyethylene

\*Refer to website for complete details

Purpose-designed to help you catch fish

## Hobie Mirage Inflatables— convenience, portability and a *great* ride.

The Hobie i-Series combines the MirageDrive with an innovative inflatable hull. Perfect for the kayaker who is short on space or storage. Hobie inflatables pack nicely within their rolling travel bag and come with a supplied pump. They can fit in the trunk of your car, on your boat, in your RV—you can even take them on your next vacation.

**SPECS:**

**Crew:** 1

**Length\*:** 9' / 2.74 m

**Width\*:** 36" / 0.91 m

**Capacity\*:** 325 lbs / 147 kg

**Fitted Hull Weight\*:** 48.5 lbs / 22 kg

**Fully Rigged Weight\*:** 66.5 lbs / 30.16 kg

**Bag Dimensions:** 30" x 25" x 12" / 76 x 64 x 30 cm

**Hull Construction:** 1000 Denier PVC

\*Refer to website for complete details

Hobie's i9S was specifically designed for would-be kayakers who are shy on spare acreage but who dream of spending their time kayaking, fishing or sailing (via the optional Sail package). The i9S' on-the-water performance rivals that of rigid boats, and its rugged, PVC-vinyl construction and reinforced underside eliminate fears of rocky beaches. A wheeled travel case makes transporting a snap and enables stowage on an RV, car or yacht.

**SPECS:**

- Crew:** 1
- Length\*:** 12' / 3.66 m
- Width\*:** 36" / 0.91 m
- Capacity\*:** 500 lbs / 227 kg
- Fitted Hull Weight\*:** 61.5 lbs / 27.9 kg
- Fully Rigged Weight\*:** 80.5 lbs / 36.51 kg
- Bag Dimensions:** 36" x 25" x 12" / 91 x 64 x 30 cm
- Hull Construction:** 1000 Denier PVC
- \*Refer to website for complete details**

Not too big, not too small and infinitely transportable, the i12S packs a lot of boat into a small package. Its well-proportioned, PVC-vinyl hull offers speed without sacrificing stability, and an enclosed forward hatch and an above-deck, Bungee-secured storage area provide generous hauling capacity—perfect for weekend escapes or provisioning trips ashore from the family cruiser. The i12S' MirageDrive delivers all-day comfort and performance.

MIRAGE INFLATABLE *i14T*

**SPECS:**

**Crew:** 1-2

**Length\*:** 14' / 4.3 m

**Width\*:** 36" / 0.91 m

**Capacity\*:** 550 lbs / 249 kg

**Fitted Hull Weight\*:** 70.5 lbs / 31.98 kg

**Fully Rigged Weight\*:** 102 lbs / 46.26 kg

**Bag Dimensions:** 48" x 25" x 12" / 122 x 64 x 30 cm

**Hull Construction:** 1000 Denier PVC

\*Refer to website for complete details

Wonderful alone, even better with a friend or family member, the Hobie i14T is the ultimate two-person, inflatable touring kayak. Two MirageDrives simplify locomotion, and an optional Sail package enables you to enjoy everything from a sunrise paddle to an all-day, multi-sport adventure. The i14T's wheeled stowage bag and its pump make hauling, storing and inflating the boat a snap, and its rugged, PVC-vinyl build and rubberized underside—coupled with its easy-to-grip carrying handles—facilitate smooth launching, landing and portaging.

## PADDLE SERIES **LANAI**

### **SPECS:**

**Crew:** 1

**Length\*:** 9' / 2.74 m

**Width\*:** 30" / .76 m

**Capacity\*:** 250 lbs / 113 kg

**Fitted Hull Weight\*:** 45.5 lbs / 20.64 kg

**Fully Rigged Weight\*:** 50.7 lbs / 23.00 kg

**Hull Construction:** Rotomolded Polyethylene

\*Refer to website for complete details

Small, sporty and nimble, the Hobie Lanai glides smoothly and efficiently, despite its diminutive waterline measurement. A clever, rotomolded polyethylene hull maximizes form stability while minimizing drag, and the boat's clean deck layout emphasizes paddling bliss while stripping all unnecessary clutter. The Lanai's 9-foot bow-to-stern length is ideal for shorter paddlers but it also accommodates taller kayakers thanks to its molded foot braces. And at only 45 pounds, the Lanai is easy to car-top, trailer or even walk to the beach.

**SPECS:**

**Crew:** 1

**Length\*:** 11' 1" / 3.38 m

**Width\*:** 29" / 0.74 m

**Capacity\*:** 300 lbs / 136 kg

**Fitted Hull Weight\*:** 52.5 lbs / 23.81 kg

**Fully Rigged Weight\*:** 57.7 lbs / 26.17 kg

**Hull Construction:** Rotomolded Polyethylene

*\*Refer to website for complete details*

Everything you need—nothing extraneous. This simple-but-powerful philosophy defines the Hobie Quest 11, a classic, paddle-powered casting kayak that's designed to go anywhere, anytime. A rotomolded polyethylene hull, adjustable foot braces and a super-comfy seat ensure a comfortable ride, while the boat's tidy geometry emphasizes efficient hydrodynamics. The Quest 11's angler-friendly pedigree includes covered bow stowage, molded rod holders and a generous stern cargo area that allows you to haul everything from optional tackle and crate systems to a Hobie Livewell.

## PADDLE SERIES **QUEST 13**

### **SPECS:**

**Crew:** 1

**Length\*:** 13' / 3.96 m

**Width\*:** 28.5" / 0.72 m

**Capacity\*:** 350 lbs / 159 kg

**Fitted Hull Weight\*:** 66 lbs / 29.94 kg

**Fully Rigged Weight\*:** 71.2 lbs / 32.30 kg

**Hull Construction:** Rotomolded Polyethylene

\*Refer to website for complete details

While the Quest 13 is ideal for touring and exploring, you only have to cast once to understand its value as a potent angling tool. The rotomolded polyethylene hull features generous belowdeck stowage, ample space for tackle boxes or tents, plus molded rod holders for trolling. A large, Bungee-secured stern cargo area accommodates everything from optional tackle to a Hobie Livewell, and an optional Twist and Stow rudder with foot steering control keeps the bow pointed in the right direction.

## PADDLE SERIES **KONA**

### **SPECS:**

**Crew:** 1-2

**Length\*:** 11' 6" / 3.51 m

**Width\*:** 34" / 0.86 m

**Capacity\*:** 425 lbs / 193 kg

**Fitted Hull Weight\*:** 67.5 lbs / 30.62 kg

**Fully Rigged Weight\*:** 77.5 lbs / 35.15 kg

**Hull Construction:** Rotomolded Polyethylene

\*Refer to website for complete details

The Hobie Kona is a round peg that fits many different holes: in two-person configuration, it provides a stable ride and snappy, spin-in-a-second performance; when paddling alone, the boat's molded center seat keeps the boat sitting on her lines. The Kona's rotomolded polyethylene hull couples a wide beam with a relatively short waterline, delivering the responsive, stable performance usually found on longer boats. Carrying handles and on-hull paddle storage simplify portaging, and the deluxe, adjustable padded seats support your back and encourage longer excursions.

## PADDLE SERIES **ODYSSEY**

### **SPECS:**

**Crew:** 1-2

**Length\*:** 14' / 4.27 m

**Width\*:** 33" / 0.84 m

**Capacity\*:** 550 lbs / 249 kg

**Fitted Hull Weight\*:** 78.5 lbs / 35.61 kg

**Fully Rigged Weight\*:** 88.5 lbs / 40.14 kg

**Hull Construction:** Rotomolded Polyethylene

\*Refer to website for complete details

The Hobie Odyssey is the ultimate one- or two-person paddling kayak that rewards clean strokes with range, speed and performance tracking. While the Odyssey carries a trim width relative to its sleek, 14-foot waterline, its cleverly designed rotomolded polyethylene hull provides ample form stability for casting, catching or getting a novice out on the water. Its impressive payload and smart deck configuration provide plenty of space for crew members and equipment, and the center seat ensures proper balance for solo outings.

See Parts and Accessories Catalog on website for more details.

## Mirage Sail Kit

Comes with two-piece mast, a 20.25 ft<sup>2</sup> sail, cordage, fittings and a storage bag.  
 #84513001 - Turquoise/Papaya  
 #84514001 - White/Red  
 #84515001 - White/Turquoise  
 #84516001 - Silver/White  
 #79052202 - i Series Sail - Turquoise/Papaya  
 #79052203 - i Series Sail - White/Turquoise  
 #79052204 - i Series Sail - Silver/White

## Hats

#5024XX - Aussie hats (XX = size - MD or LG)  
 #5025MF - Hat microfiber w/ neck flap  
 #5026BM - Beanie Men's black  
 #5026BW - Beanie Women's white  
 #5018GM - Ball Cap Grey Mesh  
 #5018RM - Ball Cap Red Mesh  
 #5018BK - Ball Cap Black/Red  
 #5018BL - Ball Cap Blue/Gold

## MirageDrive Stow Bag

Protect your MirageDrive...and other goods in your car from the drive! This heavy-duty Cordura and mesh bag fits the complete MirageDrive with standard fins or the ST Turbo length.  
 #80024 - MirageDrive Bag

## Life Vest

Stay safe with approved PFDs. High-quality construction available in several models and colors to fit you and your Hobie style!

## Sunglasses

Never miss another wind shift, wave set or fish strike with Hobie's Polarized Sunglasses. These style shades help you see better by eliminating glare.  
 #1565BLK - Escondido  
 #1562BLK - Playa

## Mirage Dodger

The Dodger helps keep you dry when the chop is up, or during stormy kayaking trips.  
 #72721 - Silver  
 #72722 - Yellow  
 #72720 - Camo  
 Fits Sport, Outback, Revolution and Adventure  
 #72730001 - Yellow/Adventure Island  
 #72730002 - Silver/Adventure Island  
 #72730003 - Camo/Pro Angler

## Child/Youth Life Vest

Keep the little ones safe with approved and easily adjustable life jackets.  
 #SBV3120YEL (30 to 50 lbs)  
 #SBV3122YEL (50 to 90 lbs)

## Sport Shirts

#3857XX - White long sleeve red logo  
 #3858XX - White short sleeve red logo  
 #3859XX - White women's V-neck short sleeve blue logo (XX = size)

## Recreation Packages

### Mirage Performance Package

ST Turbo fins, large rudder, Speedo Tube  
 #72020024 - Mirage Performance Package

### Travel Package

Standard plug-in cart, tie-down straps, roof rack pads  
 #72020025 - Travel Package

## Roof Rack Pads

Keep your boats looking sharp with Hobie's Roof Rack Pads. Split-bottom design with Velcro™ closure system ensures easy-on, easy-off operation.  
 #72045-24" - Roof Rack pads (Pair)  
 #72046-36" - Roof Rack pads (Pair)

## Waterwear

It's simple math: match your clothing to the conditions and you'll have more fun. Hobie Waterwear is ideal for sailing and kayaking adventures, and allows you to dial in the right layering combinations. Hobie spray jackets, sport shirts and wetsuits can be found in the accessories catalog.

### Safety Package

Hobie Safety Kit, Safety flag, HydroStar light  
 #72020026 - Safety Package

## Tie-Down Straps

Keep your boat where you put it with these strong and durable tie-down straps. Metal fasteners make it easy to secure boats without prerequisite knot-mastery skills.  
 #72042 - 12' Tie-Downs (Pair)  
 #72043 - 15' Tie-Downs (Pair)

## Hobie Luggage

Popular Hobie luggage items. A backpack, rolling duffel and an expandable rolling suitcase are just the thing for the Hobie traveler!

## Plug-In Heavy-Duty Cart

Highest-capacity cart with very durable knobby wheels. Welded stainless steel frame. Wheels are easily removable for storage. Also includes cart keeper feature and cart clamps. (225 lbs capacity).  
 #80046001 - Heavy Duty Cart  
 Other carts available for different terrain.

## Hobie Trailax Trailers

This lightweight aluminum trailer system can be ordered in three different configurations to accommodate up to four boats. Aluminum construction ensures corrosion resistance, and a sturdy build delivers a smooth, dependable ride.

### Ultimate Kayak Navigation Package

Lowrance GPS, RAM GPS mount, Ritchie Compass  
 #72020033 - Ultimate Kayak Navigation Package

# HOBIE FISHING ACCESSORIES

See Parts and Accessories Catalog on website for more details.

## Hobie Hi-Back Fisherman

Ready and loaded, this new fishing and hunting vest is the ideal PFD. Comfort, safety, with all the necessities close at hand.  
#S6148XXX - Hi-Back Fisherman/Mango  
#S6149XXX - Hi-Back Fisherman/Cactus  
(XXX = size - SMD/LXL/XXL)

## Hobie Rod Leash

It's one thing if "the big one" gets away; it's a different story if you lose your favorite rod. Secure it with this leash.  
#74052001 - Hobie Rod Leash

## Hunting Accessories

Organize your gun kit and make yourself and your boat virtually disappear with Hobie's hunting accessories. It's the next best thing to an invisibility cloak.  
#72020013 - Gun Mounts  
#72720 - Dodger Camo  
#72730003 - Dodger Camo (fits Pro Angler)

## Inflatable Life Jacket

Extremely lightweight, cooler and more comfortable than typical PFDs. Functional design for multiple types of water sports like fishing, kayaking, and sailing.  
#S6779RG - Red/Grey  
#S6779TG - Tan/Grey

## Gear Bucket

The ultimate utility tray. Perfectly organizes tackle, tools, parts and easily fits into existing 8" Twist and Seal hatches.  
#71704001 - Hobie Gear Bucket  
#71704021 - Deep Hobie Gear Bucket

## Sidekick

Perfect for anyone seeking more stability. Fits most all Hobie kayaks and works with other kayak designs as well.  
#72062101 Sidekick Ama Kit - Light Grey  
#72063101 Sidekick Ama Kit - Dark Green

## T-Shirt

Loyalty starts at your dresser drawer. Multiple designs and colors available to fit your lifestyle.  
#5146-Blk  
#5147-Wht  
#5148-Cyan

## Livewell

This clever, quiet, 8-gallon unit is custom-designed to work with most all Hobie kayaks. Accommodates three rods, and comes fully assembled (including batteries and charger). Two more optional rod holders may be added.  
#72020007 - Hobie Livewell

## Fishing Packages

### Ultimate Fishing Package

Fishfinder package, Hobie Gear Bucket (3 packs), RAM Tube Rod Holder, Anchor Trolley Kit, (2) Hobie rod holder extensions, (2) Rod leashes  
#72020021 - Ultimate Fishing Package

## Rod Holder Extension

Easily slides into your boat's existing molded rod holders to add security, and to help hold reels higher above the water.  
#72020014 - Hobie Rod Holder Extension

## Mirage ST Turbo Kit

Boost your cruising and sprinting speeds with these bigger, sleeker fins. Compatible with all MirageDrives.  
#72065 - Mirage ST Turbo Kit  
#72066001 - V2 Version(2009 and newer)  
\*Includes two fins and two longer masts.

### Fishfinder Package

Includes Lowrance X-4 Pro Fishfinder, Ram Mount and Hobie installation kit (kayak specific).  
#72020020 - Fishfinder Package

## Anchor Kit

Stay put when you want to with this three-pound folding anchor. Kit includes 50 feet of line and a zippered storage bag with end clips.  
#80035A - Anchor Kit

## Anchor Trolley Kit

Clever messenger-cable system easily allows you to set your anchor, deploy your sea anchor or Stake-Out Pole from the cockpit. Makes it a cinch to perfectly position your boat without having to shimmy forward or aft to fasten lines.  
#72020008 - Anchor Trolley Kit

### Fly Fishing Package

Hobie Sidekick, Ram fly-rod holder, Large Hobie Gear Keeper  
#72020022 - Fly Fishing Package

## Hobie Drift Chute

Perfectly control your drifting speed with this handy sea anchor.  
#72020009 - Hobie Drift Chute

## Stake-Out Pole

Hold your position in shallow water with this vertical anchor. Just drive the pole into a sandy or muddy bottom and secure it to your bow, stern or Anchor Trolley Kit.  
#72076001 - Stake-Out Pole

### Kayak Customization Package

Customize your kayaking experiences by swapping out the standard stock thread-in fittings with these optional attachment points. Looks cool and adds ease-of-use.  
#72020023 - Kayak Customizing Package
