

**1950**

Hobie Alter shaped his **first surfboard** in his parents' Laguna Beach garage.

**1958**

Hobie teamed up with Grubby Clark to produce the world's **first fiberglass-and-foam-core boards**, revolutionizing surfing.

**1966**

Recognizing that people needed better-quality, sport-specific clothing, Hobie started selling his now-iconic **line of sportswear**.

**1974**

Introduced the **Hobie Hawk** remote controlled glider.

**1977**

Seeking all-out speed, the **Hobie 18** delivered serious velocity thrills to sailors worldwide.

**1984**

The windsurfing scene was exploding and Hobie contributed by distributing **Alpha Sailboards**.

**1982**

Reading the water is tricky, but Hobie famed reflected light with its line of **polarized sunglasses**.

**1986**

Pursuing new ways to play, Hobie introduced its **first kayak**, the **Alpha Wave Ski**.

**1987**

Ladies love watersports, so Hobie delivered fashion-forward, functional **women's swimwear**.

**1994**

The **Hobie Float Cat** marked the company's first cast into angling.

**1994**

The **Hobie Wave** was designed and crafted as the perfect, simple, rotomolded catamaran.

**1954**

Demand for Hobie's boards spiked, so he opened his **first Surf Shop** in Dana Point, California.

**1962**

After witnessing the birth of skateboarding, Hobie introduced **polyurethane skateboard wheels**—the sport's biggest evolution.

**1970**

*Classic.* The two-person, double-trapeze **Hobie 16** became an international sensation, instantly sparking the "Hobie Way of Life".

**1982**

The **Hobie 33**, the fastest, sleekest monohull in its class.

**1985**

The **Hobie 17** redefined one-person multihulls, rewarding sailors with speed, performance and power.

**1987**

The **Hobie 21** was bigger, faster, and room for more fun.

**1991**

The **Hobie 20** immediately became the fastest set of hulls afloat, testing sailors' mettle.

The World is a Waterpark...  
and **Since 1950** we've made  
the **Best Rides**

**1997**

**Hobie MirageDrive®** delivered "A New Way to Kayak," by pedaling instead of paddling.

**1996**

The **Hobie Pursuit kayak** ushered in a new generation of rotomolded polyethylene touring kayaks.

**2000**

The **Hobie Mirage Tandem** introduced two-person, Mirage kayaking experience, while offering an optional sail kit.

**2001**

The **Mirage Outback** introduced kayak fishing in an SUV package.

**2002**

The **Hobie Bravo** was easy to learn, fun to ride.

**2006**

The versatile **Mirage Adventure Island** offered the ability to sail, pedal, paddle and play.

**2008**

Hobie landed a massive strike with the **Mirage Pro Angler**, a feature-laden, angler-specific boat.

**2012**

**Hobie Mirage Pro Angler 12**—a more compact Pro Angler with revolutionary Vantage Seating.

**2008**

**Hobie Bags**, totes, backpacks, and luggage let you travel, Hobie style.

**2012**

**Hobie by Hurley Sportswear** brought function and style to a new level.

**1996**

Hobie expanded into new water and snow sports, innovating **bodyboards, snowboards, wakeboards and waterskis**.

**1995**

A design ahead of its time, the **Hobie TriFoiler** dropped jaws with its staggering speed.

**1997**

The **Mirage® Kayak** became the world's first kayak with a dedicated MirageDrive well.

**2000**

The **Hobie Getaway**, durable, rotomolded, and room for the whole family.

**2001**

Formula 18-class killers, the **Hobie Tiger**, followed by the **Wild Cat**, gave sailors the foils to dominate race-courses worldwide.

**2005**

**Stand Up Paddling** was all the rage and Hobie's SUP's are the best afloat.

**2007**

The Hobie Mirage i12S was the world's **first inflatable Mirage Series kayak**, offering travel-friendly fun.

**2010**

The **Mirage Tandem Island**—the Adventure Island's big brother—delivered serious two-person, multi-sport fun.

The **Bravo** is ideal for sailors  
of all skill levels

Stable and safe for the total novice yet plenty entertaining for a seasoned multi-huller on a storm-tossed day. The Hobie Bravo provides the perfect sailing platform. Its bombproof, rotomolded polyethylene hull encourages picnic outings to inviting beaches and removes all docking anxieties, irrespective of wind speed. The Bravo's generously cut, square-top mainsail efficiently captures zephyrs while automatically twisting off when puffs hit, helping to keep the boat flat. The efficient A-frame mast is easy to step, and the boomless, roller-furling, multicolored Dacron mainsail makes reefing easy and allows for consequence-free gybes.

#### STANDARD FEATURES:

- Seamless rotomolded polyethylene hull
- Light, stiff, super durable and impact-resistant build
- Fully battened, multi-colored, square-top Dacron mainsail  
(Available in Seabreeze color)
- A-frame mast support eliminates shrouds and makes rigging easy
- Powerful yet manageable sailplan
- Elliptical sailplan twists off in strong puffs or gusts for power control
- Unique angled battens allow for easy reefing and furling/unfurling of sail
- One-pull sail reefing and furling system
- Boomless rig
- Non-conductive Comptip mast
- EZ Loc Rudder System simplifies raising and lowering rudder
- Two molded-in, under-deck carrying handles for easy lifting
- Four carrying handles, fitted on all corners, for easy transporting
- 8" "Twist and Seal" hatch for stowing small gear or lunch
- Six scuppers create a fast-draining cockpit
- Padded hiking straps
- Righting line and "Hobie Bob" mast float to simplify righting

#### OPTIONS:

Boom, Aluminum trailer, Beach Wheels/Dolly

#### SPECS:

**Crew:** 1-2

**Length:** 12' / 3.65 m

**Beam:** 4' 5" / 1.35 m

**Draft w/ Rudder Up:** 9" / 0.23 m

**Mast Length:** 19' / 5.79 m

**Sail Area:** 86 ft<sup>2</sup> / 7.99 m<sup>2</sup>

**Weight:** 195 lbs / 88.45 kg

**Capacity:** 400 lbs / 181 kg

**Hull Construction:** Rotomolded Polyethylene

ROTOMOLDED SERIES  
**WAVE**

Fun for the family and exciting for the juniors while forgiving enough for the newly initiated, the Hobie Wave is the ideal must-go-sailing-now catamaran. Its symmetrically shaped hulls and keel design provide lift while eliminating the need for daggerboards, and its rotomolded polyethylene construction is nearly indestructible. A large, fully battened, boomless mainsail is powerful in the light stuff, but is designed to twist off and depower in an unexpected gust. The Hobie Wave is ideal for sailing solo or with a friend, while the Wave Club edition can also be used for schools, organizations or resorts.

### STANDARD FEATURES:

- Super durable, impact-resistant rotomolded polyethylene two-shot hulls, with positive buoyancy
- Special keel shape eliminates daggerboards for easy beaching
- EZ Loc Rudder System simplifies raising and lowering rudder
- Fully-battened, multi-colored square top Dacron mainsail with safety view window (Available in Seabreeze color)
- Easy-attach, one-piece, colored mesh trampoline with built-in drink holders (Classic Version), 3-piece mesh with lacing and grommets (Club Version)
- Boomless rig
- Comptip mast for safety
- Padded seat cushions for added comfort
- Innovative design for easy transport and storage
- Righting line and "Hobie Bob" mast float for easy righting

### OPTIONS:

Patented Multi-Sail Zipper-Reefing Sail, Jib kit, Spinnaker kit, Padded backrests, Aluminum trailer, Beach Wheels/Dolly

### SPECS:

**Crew:** 1-4

**Racing Crew:** 1

**Length:** 13' / 3.96 m

**Beam:** 7' / 2.13 m

**Draft w/ Rudder Up:** 11" / 0.28 m

**Mast Length:** 20' / 6.09 m

**Sail Area:** 95 ft<sup>2</sup> / 9 m<sup>2</sup>

**Weight:** 245 lbs / 111 kg

**Capacity:** 800 lbs / 362 kg

**Hull Construction:** Rotomolded Polyethylene

ROTOMOLDED SERIES  
**GETAWAY**

Take the party on the water  
with the ***Hobie Getaway***

When the agenda involves sailing with friends and family, the Hobie Getaway is a sure-fire ticket to multihull fun. Stir in the boat's performance-minded symmetrically shaped hulls, its efficient, mainsail-driven sailplan and its roller-furling jib and you quickly discover a sailing pedigree that leaves "party boats" stalled out. With the Getaway, there's no worry about impromptu raft-ups, beaching or docking; its impact-resistant, rotomolded polyethylene hull provides years' worth of family fun. But most impressive is the Getaway's awesome value—expect great times for a modest price tag.

#### STANDARD FEATURES:

- Super durable, impact-resistant, rotomolded polyethylene hulls
- Special keel shape eliminates daggerboards for easy beaching
- EZ Loc Rudder System simplifies raising and lowering rudder
- Multi-colored mainsail with high-cut foot for easy clearance on tacks and gybes (Available in Seabreeze color)
- Fully-battened, boomless mainsail
- Mesh forward trampoline and main trampoline
- Roller furling jib
- Comptip mast for safety
- Cooler/storage compartment in both hulls
- Righting line and "Hobie Bob" mast float for easy righting

#### OPTIONS:

Wing seats, Single trapeze system, Aluminum trailer with double rollers and a mast stand, Beach Wheels/Dolly

#### SPECS:

**Crew:** 1-6

**Length:** 16' 7" / 5.04 m

**Beam:** 7' 8" / 2.34 m

**Draft w/ Rudder Up:** 10" / 0.25 m

**Mast Length:** 25' / 7.62 m

**Sail Area:** 180 ft<sup>2</sup> / 17 m<sup>2</sup>

**Weight:** 390 lbs / 177 kg

**Capacity:** 1000 lbs / 453 kg

**Hull Construction:** Rotomolded Polyethylene

the Adventure Island blends timeless  
design with Hobie innovation

Kayaks and trimarans provide truly outstanding ways of enjoying the water—the Hobie Mirage Adventure Island combines these joys in one easy-to-use package. Detach the crossbars, akas and amas and you have an adventure-touring kayak; reattach it all, step the rig and you have a nimble trimaran. A roller-furling, vertically battened mainsail provides lift, a daggerboard prevents lateral slip, and the amas tuck parallel against the rotomolded polyethylene hull for docking. Multiple hatches and on-deck stowage encourage multi-day adventures, and the MirageDrive offers paddle-free locomotion when kayaking or when the wind scatters, making it easy to get home.

#### STANDARD FEATURES:

- Hobie Mirage Adventure kayak hull
- MirageDrive with Turbo Fins
- Two color-coordinated amas
- Deck-mounted, detachable aka crossbars
- Fully-battened, boomless mainsail
- Daggerboard
- Patented roller-reefing sail with full-length vertical battens
- Two-piece mast
- Full-length mast/sail storage bag
- Harken blocks
- All lines and sailing hardware
- Kick-up Island rudder
- Two-piece paddle with fiberglass shaft
- Adjustable high-back padded seat with inflatable lumbar support
- Large covered bow hatch with Bungee® tie-downs
- Two 8" "Twist and Seal" hatches
- Gear bucket
- Stern cargo area with Bungee tie-downs

#### OPTIONS:

Plug-in cart, Dodger, Livewell, Aka Trampoline kit, Navigation package, Hobie eVolve™ powered by Torqeedo electric motor kit, Aluminum trailer (can adapt for one or two Islands), Beach Wheels/Dolly

#### SPECS:

**Crew:** 1

**Length:** 16' / 4.88 m

**Beam w/ Amas Out:** 9' 4" / 2.84 m

**Beam w/ Amas Folded In:** 42" / 1.06 m

**Mast Length:** 15' 2" / 4.62 m

**Sail Area:** 57.5 ft² / 5.34 m²

**Fitted Hull Weight\*:** 86.5 lbs / 39.24 kg

**Fully Rigged Weight\*:** 115 lbs / 52.16 kg

**Capacity:** 350 lbs / 159 kg

**Hull Construction:** Rotomolded Polyethylene

## ROTOMOLDED SERIES **TANDEM ISLAND**

The puff hits and the Hobie Mirage Tandem Island's leeward ama chisels into the water, its efficient, square-topped mainsail immediately translating increased wind speed into extra boat speed. The Tandem Island's two-piece carbon-fiber rig minimizes weight aloft—thus stiffening the ride—and both cockpits are fitted with steerage and sail-handling controls, allowing sailors of all abilities to share the experience. Best yet, the crossbars, amas, akas and rig are easily stripped, converting the Tandem Island's rotomolded polyethylene hull into a highly efficient, pedal-or paddle-powered touring kayak with enough hatches and on-deck stowage for multi-day escapes.

# Grab a partner and enjoy the ride.

## STANDARD FEATURES:

- Two MirageDrives with Turbo Fins
- Two-piece carbon-fiber mast
- Roller-furling, boomless mainsail
- Easily retractable/removable, color-coordinated amas
- Deck-mounted aka crossbars
- Built-in, fully retractable, kick-up centerboard
- Kick-up Island rudder
- Fingertip steering control at both cockpits
- Sheets lead to both cockpits
- Two high-back padded seats with inflatable lumbar support
- Two 2-piece paddles with on-aka storage
- Harken blocks
- All lines and sailing hardware
- Rear cargo compartment with Bungee tie-downs
- Large forward storage hatch
- Three 8" "Twist and Seal" hatches
- Two molded-in rod holders
- Four mesh-covered stowage pockets
- Four cup/bottle holders
- Four molded carrying handles

## OPTIONS:

Plug-in cart, Dodger, Aka Trampoline kit, Navigation package, Livewell, Hobie eVolve powered by Torqeedo electric motor kit, Aluminum trailer, Beach Wheels/Dolly

## SPECS:

The Hobie 16  
*revolutionized*  
multihull sailing

The Hobie 16 was unleashed on the Southern California beach scene in 1970 and sailing was instantly transformed. The beach-launched Hobie 16 brought the sport to legions of speed-loving sailors. The catamaran's lightweight, asymmetric fiberglass hulls provide lift and its dual-trapeze rig lets you and your crew member harness its sheer power. Now, 42 years and over 100,000 boats later, the Hobie 16 occupies a coveted spot in the Sailboat Hall of Fame and consistently delivers big-grin sailing and world-class racing. Fly a hull and you'll understand the global obsession!

#### STANDARD FEATURES:

- Asymmetrical hulls eliminate daggerboards, facilitating beaching
- Kick-up rudder system
- Race-ready, brightly colored Dacron sails  
(Available in either Seabreeze or Hot Tamale colors)
- Elevated trampoline platform provides a dry ride and allows for easy trapezing
- EPO2 carbon-fiber rudder blades
- Double-trapeze rig
- Harken blocks
- Comptip mast provides safety and heavy air performance
- Black anodized spars

#### OPTIONS:

Spinnaker and spinnaker-douser kit, Aluminum trailer with double rollers and a mast stand, Beach Wheels/Dolly

#### SPECS:

**Crew:** 1-4

**Racing Crew:** 2

**Length:** 16' 7" / 5.04 m

**Beam:** 7' 11" / 2.41 m

**Draft w/ Rudder Up:** 10" / 0.25 m

**Mast Length:** 26' 6" / 8.07 m

**Sail Area:** 218 ft<sup>2</sup> / 20 m<sup>2</sup>

The Wild Cat  
is your ticket to  
***all-out thrills***

Simply put, speed is addictive. Savor some windy-day trapeze time and your brain quickly acclimates to quick closing times, and rapidly advancing horizons. The Wild Cat—Hobie Cat Europe's no-holds-barred Formula 18-class killer—is designed to efficiently feed your adrenaline addiction. Elegant, functional touches include wave-piercing bows, an integrated wing-

mast section, high-aspect ratio daggerboards and rudders, dual trapezes, a spinnaker launching-and-retrieval system and seriously fast fiberglass hulls. Weight the trapeze wires and the Wild Cat immediately delivers real-world lessons in "evolving" apparent-wind angles. Caveat emptor: face-splitting smiles and unadulterated good times included!

#### STANDARD FEATURES:

- Fiberglass hulls include EVA anti-skid and one stern inspection port (per hull)
- Carbon-fiber reinforced rudder blades and daggerboards
- Carbon-fiber telescopic tiller extension
- Mesh trampoline
- Square-top Pentex Mylar mainsail
- Fully battened Pentex Mylar jib
- Self-tacking jib system
- Spinnaker
- Sock-style spinnaker snuffer system
- 10:1 Harken blocks (mainsheet system)
- 16:1 cunningham
- Adjustable-rotation mast
- Double trapeze
- Spinlock blocks (cunningham)

#### OPTIONAL FEATURES:

Aluminum trailer with double rollers and a mast stand,  
Hull cradles, Beach Wheels/Dolly

#### SPECS:
