

fieldtested and approved

To become a Field Tester... you must complete the free Field Test Profile form, available by calling the NAFC toll-free at (800) 843-6232, or by visiting the Club website. The information you provide is used to match a product to your location, species preferences and skill level. After testing, complete the product evaluation form and keep the product free of charge. At least 67 percent of Field Testers must approve a product before it can earn the exclusive NAFC Seal of Approval.—J.J. Reich, Senior Field Test Coordinator

Hobie Mirage Revolution

This 13½-foot kayak is powered by Hobie’s MirageDrive pedal system and steered by the Twist-and-Stow rudder system, or by a two-piece paddle with on-hull storage. It comes with molded rod holders, a high-back seat, and offers plenty of storage, thanks to built-in hatches, buckets, bags and bungee tie-downs. Contact Hobie Cat Co. at (800) 462-4349; hobiecat.com.

John Nelson, San Diego, CA: “The MirageDrive system provides excellent power and maneuverability, while leaving your hands free for casting.”

Chris Souvignier, Roseville, MN: “I love the plug-in wheels, which let me easily roll the kayak to the water’s edge.”
