## Hobie Mirage Pro Angler

Stable and lightweight, the Mirage Pro Angler has a capacity of over 600 pounds. It features protected horizontal storage for up to six rods, two vertical rod holders, three in-hull compartments and a large on-deck storage area. The kayak has an adjustable, breathable seat, mounting boards for electronics and other accessories, and the Hobie Mirage-Drive pedal system with turbo fins. **Jeff Cook, San Juan Capistrano, CA:** "The versatility, stability and ability to add so many accessories are why I recommend the Mirage Pro Angler." **Gary Wheaton, White Bear Township, MN:** "This is a great alternative for small waters. It had enough storage space to stow all my clothes, camping equipment and cooking gear for my annual wilderness 'canoe' trip. I would recommend it to anyone."
