A. Hobie H-Bar

The H-Bar from Hobie adds utility and options to your Hobie Mirage Pro Angler. Designed with the stand-up angler in mind, the H-Bar not only provides standing stability, but a great support platform for entering and exiting your kayak. Use the H-Bar to pull yourself up and make a cast to feeding fish. Made from clear-coated anodized aluminum, the H-Bar is light, strong, and quiet so fish don't get spooked. Mount accessories on the H-Bar like fishfinders or rod holders or leave it clear for stand-up paddling. Add a stripping basket to the front for snag-free fly fishing. Cast further while you lean against the foam pad in comfort. With the removal of two pins the H-bar folds away in seconds, leaving your front hatch and cockpit fully accessible.
