

# Hobie Fun Week

27th November - 4th December 2009

**Set sail on our fantastic BVI flotilla in the stunning Caribbean, and enjoy a selection of Hobie kayaks and stand up paddleboards all week long! You will also be accompanied by some of the expert Hobie Team who are joining the flotilla for our Hobie Fun Week!**

This exclusive week long flotilla route will stop off at The Bitter End Yacht Club in time for special entertainment, dinner and dancing.

The Bitter End Yacht Club's Tuesday Night "West Indian Beach Barbecue" is a crowd favorite. It takes place, open air, on the Almond Walk Terrace of the Bitter End Yacht Club's Clubhouse Restaurant. The venue has that "toes in the sand" feel, as the beach and waterline are just a few short steps away. To work off all the great eats, dance to the local rhythms of the Latitude Stars (reggae, soca, and calypso music), plus a full-on Limbo Jump-up. For late night revelers, continue the fun at the Bitter End's Pub.

Once you've spent the evening—Caribbean style, the following morning you will be able to enjoy free use of 12 Hobie Wave catamarans and 4 Hobie Getaway catamarans from the beach at the Bitter End Yacht Club between 9am-1pm. SunSail and the Hobie Team will also be providing a Hobie clinic, including both instruction and racing opportunities for all.

Dan Mangus, Jeffrey Fortuna and Sean Douglas from Hobie, have been racing and sailing Hobie catamarans for over 35 years. For six decades Hobie has been building surfboards, sailboats, sunglasses, stand up paddle boards and kayaks all designed around fun in, or on the water.

## BRITISH VIRGIN ISLAND FLOTILLA

### Day 1

#### Arrive at Flotilla base, Tortola, Wickhams Cay II

This new multi-million dollar investment will not disappoint with all its modern features designed to be kind to our environment.

### Day 2

#### The Bight, Norman Island 15 miles, 3 hours

The Bight is known for fun dinners and wild party nights on board the William Thorton (Willy T) ship.

### Day 3

#### Marina Cay, Tortola 10 miles, 2 hours

Enjoy the exhilarating trade winds and sail to Marina Cay for the flotilla welcome punch party. Shop at the Pusser's store and enjoy a cocktail at the tiny hilltop bar.

### Day 4

#### The Baths, Virgin Gorda 6 miles, 1 hour

Spend an unforgettable morning at The Baths, home to a unique rock formation with a myriad of secret pools and caves.

### Day 5

#### Bitter End Yacht Club 9 miles, 2 hours

Spend the day surrounded by spectacular Caribbean scenery and

get ready for a eat, drink and dance the night away at our special event. Awaken to clear blue skies and warm sunshine as you head down to the beach for our Hobie clinic. Whatever your level, you will have a blast on the water with the very best instruction from the Hobie Team.

### Day 6

#### Cane Garden Bay, Tortola 21 miles, 4 hours

This stunning bay has a great choice of activities and water sports, bars and places to eat ashore.

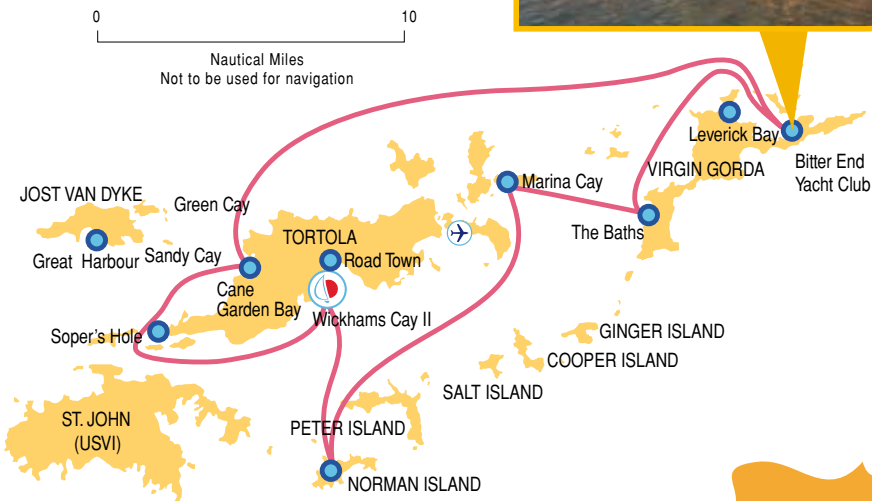

### Day 7

#### Free Sailing

Spend your final day in this tropical sailing area exploring wherever the wind takes you!

### Day 8

#### Departure

Join us for **Hobie Fun Week** and enjoy the following Hobie Kayaks and SUP's—all week long!

## Hobie Products

Hobie Mirage i9S  
Hobie Mirage i12S  
Hobie Mirage i14T  
Hobie Mirage Outfitter  
Hobie Kona  
Hobie SUP 11'2 ATR w/paddle  
Hobie SUP 12 ATR w/paddle

### i9S:

This 9 foot single is the smallest, shortest, lightest kayak in our fleet. It's perfect for those who are short on space and storage, or for those who just love the freedom of this easy riding, easy traveling vessel. Packed snugly in its rolling travel bag, you can bring it with you wherever you go.

### i12S:

Here's a 12 foot single with storage and soft-sided comfort to spare. With a rear cargo deck and bow-integrated dry bag, this is one inflatable that never sacrifices function. From ocean to pond, marina to bay, the i12S is ready when you are.

### i14T:

A pedal-driven, totally portable inflatable for two? The Hobie i14T takes you, both of you, anywhere you see fit. The speed of dual Mirage Drives is the key to on-water performance, and the supplied high-speed pump gets you off the dock in a hurry. And when your day comes to an end, the i14T quickly deflates and stows in its wheeled stow bag.

### Outfitter:

Built for two but perfect for solo as well, you won't believe how efficiently this design swallows gear. Hatches, drink holders, pockets, utility trays, and rod holders—you can bring it all, and know where to find it when you need it.

### Kona:

Double up for fun, the Hobie Kona will take whatever you throw at it. This nimble double is a snap to turn, yet still has bountiful room for cargo, drinks...all of your gear.

### SUP 11'2 ATR:

Good for both ocean and lake paddling, a great family board. The 11'2" has it all good glide, great stability, and handles surf from 1' to over 8'.

### SUP 12 ATR:

A perfect family board designed for both ocean and lake paddling. The 12' comes with tie down inserts for fishing gear, a cooler or dry bag for a different type of paddling experience.
